# Dedication . . .

For her dedicated teaching of American History and Problems of Democracy in such a way that challenges the mind and provokes curiosity, for her unselfish giving of time and ceaseless efforts in sponsoring the Student Council, for her infinite patience and understanding at times which, with lesser persons, would arouse anger, and for her high idealism which encourages respect and fulfillment—for these things and for all the pleasure and knowledge she has imparted to her students, we, the annual staff, are pleased to dedicate the 1964 *Document* to Mrs. Dee Brock.

# But Most of All, T<sub>J</sub> Is People. We Are T<sub>J</sub>

We are TJ Rebels, separate in our individual lives, united in our goal of learning. The -T<sub>J</sub>- through this year's *Document* represents the TJ we Rebels knew and worked for this year. The *Document* staff has strived to present an all-around view of TJ, and to put more emphasis on each individual.

This is your book of TJ in 1964. We hope you like it.

## **This Is the Guiding Force of TJ.**

The new administration this year has innovated many changes, such as a better lunchroom schedule and sports assembly plan. The size of the school made efficiency in planning a must. The administration's main goal was to prepare each TJ student for a fuller life.

Administration

## Board of Administration

The Board of Administration is responsible for planning for student needs. They organize distribution of students and basic instruction.

**ROW ONE:** Dr. Edward Walker, Assistant Superintendent in Charge of Personnel; Dr. W. T. White, Superintendent in Charge of Administration;  
**ROW TWO:** R. H. McKay, Assistant Superintendent in Charge of Administration; Dale Douglass, Assistant Superintendent in Charge of Business; Hollis Allen, Assistant to Superintendent; Don Matthews, Assistant Superintendent in Charge of Special Services; Dr. Frank Williams, Assistant Superintendent in Charge of Instruction.

## Board of Education

The duties of the Board of Education include planning the budget and enlargement of facilities. The Board is a vital factor as it coordinates the school and the community.

Mr. McShan; Mr. D. M. Bruton; Mr. Gregg; Mr. J. P. Greene; Mrs. T. H. Rutherford; Dr. W. T. White; Mr. R. B. Gilmore; Mrs. Ingram; Mr. Loyd G. Shelby; Mr. R. S. Folsom.

# Mr. C. C. Smith

## Principal

Mr. Smith may be called the busiest man at Thomas Jefferson High School. His activities as Principal include not only coordinating teacher and student viewpoints and organization, but also working with the President of the P.T.A. and being present at Thomas Jefferson's extracurricular activities. The students and teachers thank Mr. Smith for his constant interest in the school and for the integrity and tact with which he has handled his first year at Thomas Jefferson.

*... forming school policy*

*... making daily announcements*

# Mr. J. H. Malone

## Assistant Principal

Mr. Malone is an important factor in helping Thomas Jefferson High School run smoothly and efficiently. His duties include handling most of the disciplinary problems in a school of 3100 students. He also assists Mr. Smith in organization and policy for the school. Thomas Jefferson is fortunate in having a man of Mr. Malone's ability as Assistant Principal.

# Mrs. Edith Cooper

## Dean

Students at Thomas Jefferson High School seldom see Mrs. Edith Cooper sitting at her desk. She is usually busy issuing permits, checking attendance, or handling private student counseling. In charge of the American Field Service activities, Mrs. Cooper is often seen with the exchange students. She has a B.S. and M.S. from North Texas State University.

# Communication Is a Never-Ending Process

Students at Thomas Jefferson High School find that there is much more to English than grammar and vocabulary study. Emphasis is placed on the literary heritage of our country and other countries. Reading usually includes *Silas Marner*, *House of the Seven Gables*, and "Julius Caesar." A special course, equivalent to the first year of college English, is offered in the senior year to those who show unusual interest and ability.

Activities are an integral part of our school; without them student life would be extremely dull. An education in themselves, the dances, theatrical productions, games and other important events teach the students co-operation and the art of getting along with others. And perhaps most important of all, they are fun!

## September Opens With Enthusiasm

September brought the beginning of a new school year. For some students it was the beginning of an exciting new experience—life at T J—while for others it was the closing chapter in the story of high school.

There was intense activity throughout the month of September. A special assembly was held on the first day of school to welcome all new students to Thomas Jefferson. Howdy Week, sponsored by the Student Council in an effort to acquaint students with one another, terminated with the Howdy Dance on September 5. Clubs began organizing and planning for the year's activities. T.J.'s first pep assembly and football game with Garland were on September 12.

# Foreign Culture Enlightens T J

Thomas Jefferson is proud of its American Field Service students, May Levillayer of France, George Kittel of Sweden, and Janet Lawrence of T J. Every year the AFS'ers become a part of the T J Rebel spirit. Jefferson students profit immensely from these AFS students by learning about the political, social and economic aspects of the AFS'ers native lands. Many close relationships have been formed and letters across the ocean continue to strengthen the ties between the United States and those countries involved with AFS.

The process of becoming an American Field Service student begins in the early winter. Students fill out applications and are interviewed by a local committee for AFS. The AFS Headquarters in New York places the student according to personality traits and background with a family applying for a student.

Many wonderful students, American and foreign, have been able to learn about another part of the world through the American Field Service.

Dear T J Students,

This year has been for me one of wonderful experiences. The American Field Service gave me the great opportunity to know many of you and to appreciate the life of American people, which is so much spoken about all over Europe, especially in my country. It has been very important for me to be able to live in this American civilization which is a kind of ideal for many people in the world. By meeting you, the youth of today, I know what will be like the United States of tomorrow. And it is reassuring to see that language or nationality are no more difficulties between foreign countries.

But the thing which was the newest for me and which will stay all my life in my memory was this enthusiasm of the Rebels, enthusiasm expressing itself in the pep assemblies or in the football and basketball games. I will miss that very much in France! I thank you every one of you for having been so nice with me all the year long. I saw American kids such as they are and I can tell you that before coming I never imagined they were so friendly.

I thank you again for this so wonderful year in Thomas Jefferson High School, and hope to see you, one day, in my country, very different from yours, but as much pleasant as my second home: the United States.

Love to each of you,  
May Levillayer

Georg Kittel

Dear Rebels,

It is difficult for me to express my gratitude to all of you; there are no words strong enough

This year here at Thomas Jefferson has enriched my life in countless ways. First of all I have learned what a great school T.J. is, and what a friendly and fascinating people you are. The wonderful school spirit that exists everywhere in school among the teachers as well as the students shows me the devotion and loyalty that you have for the school. You have made me feel like being a true T.J. Rebel.

But besides this I have gotten something else, perhaps even greater. By living a happy family life with Mr. and Mrs. Wistrand, by going to T.J. and studying various subjects concerning the United States, yes, just by being one of you, I feel that I have obtained a deep understanding not only of Thomas Jefferson and Dallas, but also of the entire American people with their customs, problems, and ideals. Of course I will relate my impressions to my fellow countrymen in Sweden. This will further the understanding between our two countries and many other nations and strengthen the hope for peace.

The day I leave the people in Dallas will be a sad moment for me because I really have fallen in love with you and your city. The greatest wish of mine is to see you in the future.

Your friend forever,  
Georg Kittel

Janet Lawrence  
T J

Dear Rebels!

As an American Field Service student I lived with a German family in Heide, Germany, during the summer of 1963. Heide, located about eighteen kilometers from the North Sea, is a town of 21,000 inhabitants in agricultural northern Germany.

My German family consisted of Mutti, Vati, my older sister, Heinke, and my younger brother, Klaus. From them I gained an appreciation of German customs and the German way of life. In turn I tried to impart to them a knowledge and understanding of our way of life.

It is through this type of exchange of ideas and ideals that the motto of the American Field Service can be realized: "Walk together, talk together, all the people of the earth. Then and only then will ye have peace."

Herzliche Glueckwuensche.

TJ

By participating in extracurricular activities, such as the Homecoming Dance, May and Georg were able to better understand our social customs.

Both Georg and May carried full academic courses while at T J

## October Spurs School Spirit

*Judy Garner, senior, shows typical Rebel enthusiasm at the games.*

Excitement filled the air at T J in October as the Rebels continued into the football season. Weekly pep assemblies and colorful half-time shows added much to our enjoyment of football.

Students received their first report cards of the school year. On October 18, all were excused from school in order to attend the State Fair of Texas. The Iowa Achievement Tests were administered in October to all seniors. And seniors began planning for college as many college representatives visited T J

*At each pep assembly the NDCC color guard presented the flag and led the pledge of allegiance.*

*On the day of every football game, team members wore their light blue jerseys.*

*David Olan led the Rebel Band at each pep assembly.*

# Homecoming Enlivens

## November

Assembly via television, Channel 13, was an innovation which took place in November. Dr. Lloyd V. Berkner, noted scientist, told a city wide audience of high school students of the importance of education to our future.

Homecoming, November 1 and 2, was the main cause of excitement at TJ in November. In the "Big D" Band and Drill Team Show, the outstanding performance of the Reb Belles and Rebel Band was recognized with a rating of "Excellent." But the activities of November were saddened by the assassination of President Kennedy. On Thanksgiving, November 28, students paused to give thanks for our democracy and our nation's leaders.

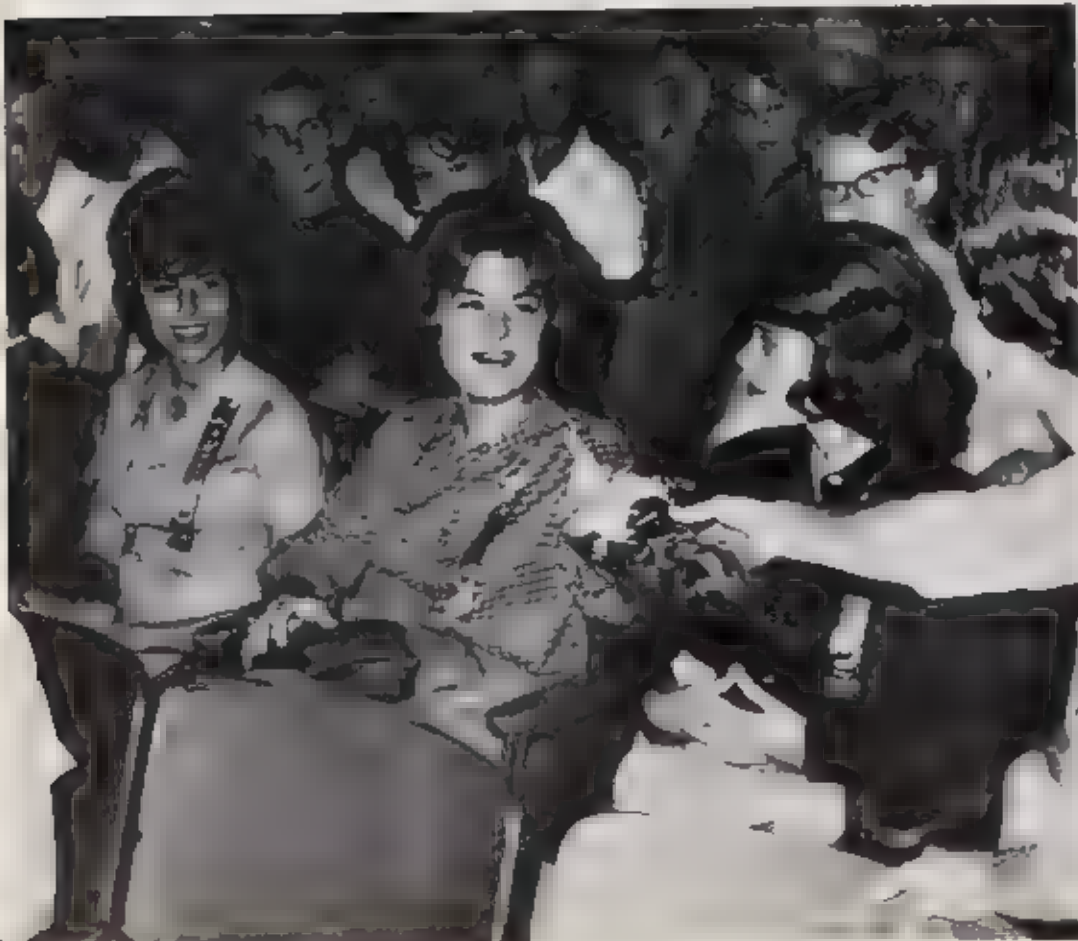

The Student Council sponsored a school wide Thanksgiving project through the homerooms. Each homeroom filled a basket with food and the baskets were given to needy Dallas families.

Set in a background of a lovely Harvest Moon, Homecoming 1963 was a gala occasion. The five Homecoming Princesses, who had been nominated by the senior class, were presented to the student body in convertibles at half-time during the game with Hillcrest. Each nominee was given a Homecoming mum by a member of the Varsity football team.

Miss Sharon Edgar was crowned 1963 Homecoming Queen by the 1962 Queen, Miss Nancy Camplen, at the formal coronation which was held the following evening in the auditorium. Queen Sharon and her court then reigned throughout the semi-formal dance in the gym. Music at the dance was provided by the SMU Dance Band in the Girl's Gym and by records in the Boy's Gym.

# In Memory of President John F. Kennedy . . .

Shocked faces and mournful tears mirrored the impact with which the President's assassination hit the students of TJ on that dreadful November 22, 1963. Utter disbelief was the first reaction as students followed the news coverage over the public address system. As the nightmare became a realization, the hearts and minds of all Jeffersonians, as well as those of all people throughout the world, were united in a bond of common regret and hopeful patience for the dawn following the dark.

# December Brings Gaiety and Vacation

*The DOCUMENT staff took a break to celebrate Christmas.*

Christmas enlivened the spirit at TJ in December. Christmas carols, decorations and a Christmas assembly presented by the Concert Choir added to the gaiety which prevailed at our school in December.

Homemaking classes, in a holiday mood, prepared turkey dinner which the faculty enjoyed during seventh period. Seniors presented the Senior Play after many months of united effort. But perhaps the biggest thrill for the Rebels in the month of December was winning the Dr Pepper Basketball Tournament for the fourth year in a row. The tournament took place during vacation which lasted from December 19 till January 2.

*At the annual football banquet on December 18, the coaches recognized the following players: Bob Hays, best offensive lineman; Bill Hardwick, best defensive lineman; Glen Showers, best offensive back; David Shahan, best defensive back; and Steve Clark, best all-round player.*

# THE TEAHOUSE OF THE AUGUST MOON

Mr. Seiko (Steve Calvert) and Mr. Hokaida (John Metcalf) vie for the love of Lotus Blossom.

Colonel Purdy (Kirk Carr) found it difficult to instill the proper military spirit in Captain Fisby (Steve Jones).

Bob Zafran and Mike Sibley were in charge of lighting.

*Mrs. Mikio Furubayashi, native of Japan, consulted with directors Miss Ericson (Cast I) and Mr. Cox (Cast II).*

*The make-up crew attacks Miss Higa Jiga (Carlin Crigger) before the performance.*

*Steve Goodman and Clark Briggs apply their own make-up. Okinawan characters used a yellow base to achieve a realistic effect.*

A delightful comedy, *The Teahouse of the August Moon*, was presented by the Senior Class in December. The play dealt with the occupation of Okinawa and the misadventures of young Captain Fisby with century-old oriental customs and higher up military officials. While Captain Fisby was attempting to teach democracy to the people of Tobiki, he acquired a geisha girl, Lotus Blossom, and started the potato brandy industry in the Okinawan village. Under the supervision of Lotus Blossom, the villagers constructed a teahouse, where they had entertaining parties.

Cast II presented the play on Friday, December 6, and Saturday, December 14, while Cast I performed on December 7 and 13.

*Barbara Barbat (Lotus Blossom) hides behind her fan as her male harem, the cast, surrounds her.*

*Butch Turet and Steve Gooch rehearse their parts.*

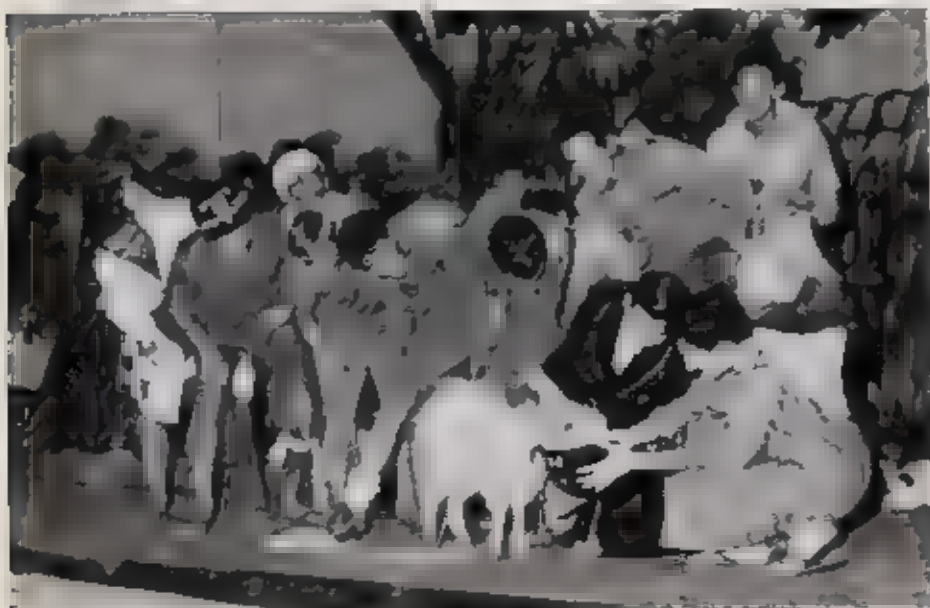

*Sakini (Joe Proctor) was the official interpreter between the Okinawans and the Americans.*

## Students Enjoy TEAHOUSE

*Villagers enthusiastically erected the teahouse in less than three minutes.*

*Lady Astor sampled some Tobiki Five Star Potato Brandy.*

*Lotus Blossom (Kathy Hake) performed a fan dance for the villagers' enjoyment.*

*Each cast enjoyed several curtain calls.*

# January Snowed Under by Exams

# TJ

January will be remembered for two outstanding events—a record snowfall and mid-term examinations! Because of the 7.4 inch snowfall, school was closed on Thursday and Friday, January 16 and 17. Rebels employed their artistic abilities to create many varieties of snowmen and enjoyed spirited snowball fights during this two day reprieve from school.

Exams began the following Tuesday and continued through Thursday. The week end of January 21 through January 26 gave students an opportunity to relax before beginning the spring semester on Monday, the 27th.

*Students studied earnestly before mid-term exams.*

*With much relief, Rebels finished exams.*

## Leap Year Provides February With an Extra Day

*Each teacher was presented with a shiny red apple at a special coffee for the teachers on Teacher Appreciation Day.*

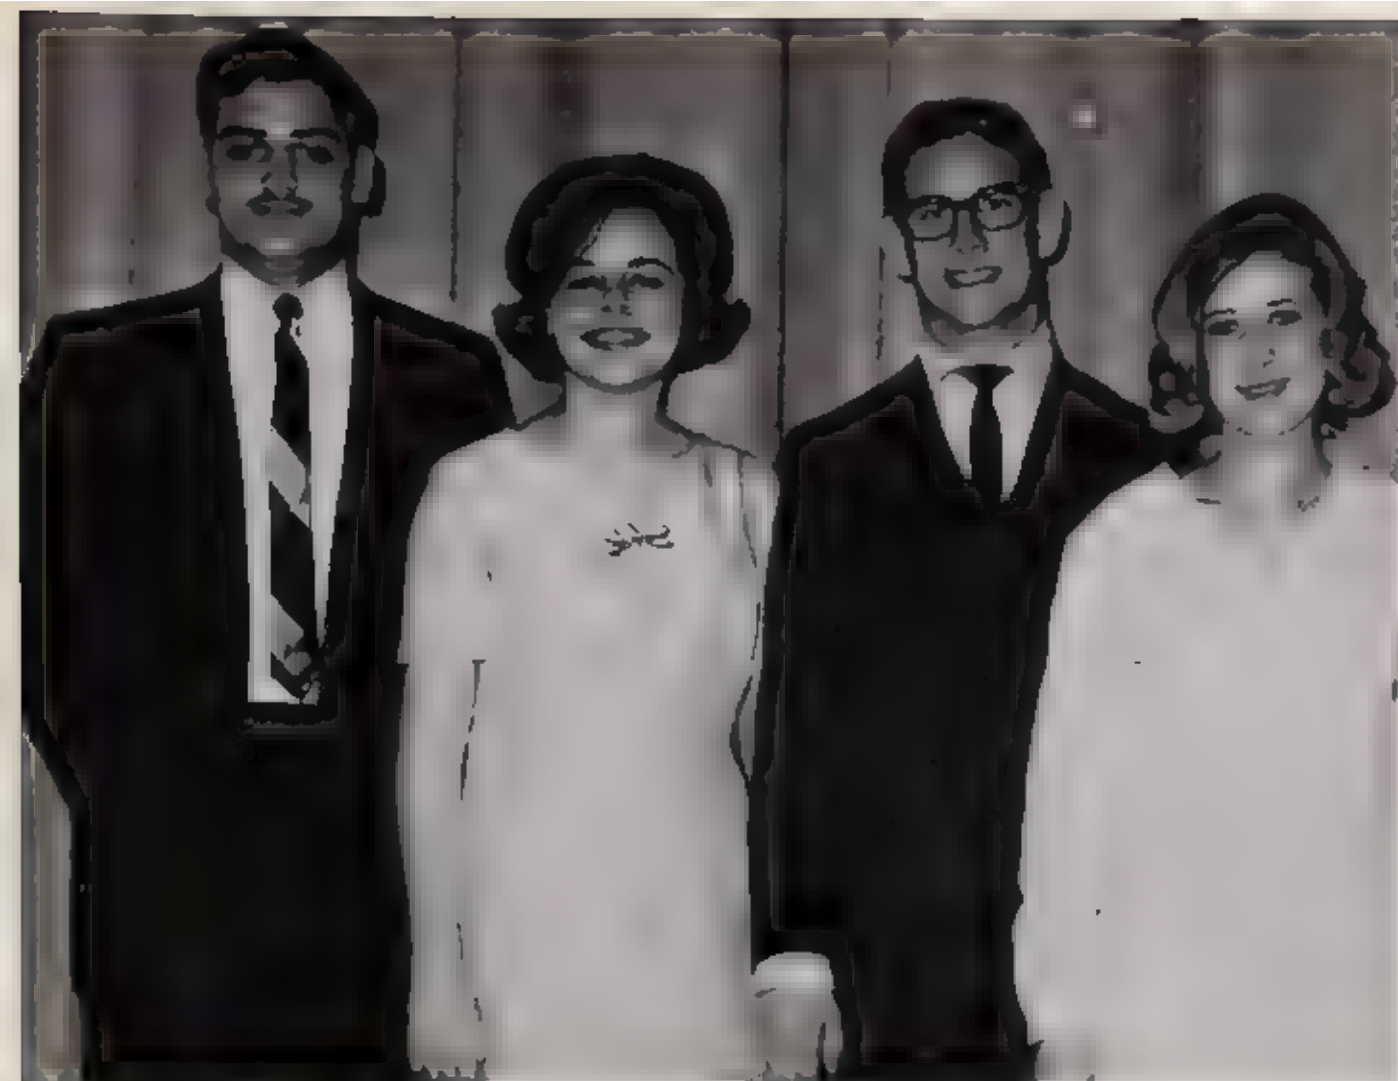

*John Drollinger and Steve Aronoff show Miss McLain their Beatle wigs, which they wore "just for fun."*

"Beatlemania" arrived at T J with the advent of the Beatles, England's popular singing group, to this country in early February. Following the Beatle craze was Valentine's Day, February 14. On this day, the teachers were honored by Teacher Appreciation Day. The Career Conference, sponsored by the Altrusa and Kiwanis Clubs in conjunction with our Student Council, gave students a chance to learn about various career possibilities. On February 21, the General Chorus presented a Brotherhood assembly to climax Brotherhood Week. The month ended on Sadie Hawkins Day, February 29. On this day girls did the chasing for a change.

*Mr. W. B. Hilton, Research and Guidance Director for the Dallas School System, gave the main address at the Career Conference which was held on February 20.*

*The Brotherhood Assembly was moderated by Will Utay and had as featured speakers Sharon Ulrick, Paul Corman, and Lucretia Olson.*

*Track team members began attending track meets and preparing for the track season.*

*Many students began planning science projects for the Science Fairs which are held every spring.*

*Members of the DOCUMENT staff began the arduous job of proofreading the annual.*

# Students Prepare for Musical During March and April

*Dancing parts were taken by members of the Concert Choir.*

**T**

Set in the Gay 90's in England, *Where's Charley* was a cheery musical comedy dealing with the adventures of Charley Wykeham, a young Oxford student. Donna Lucia, Charley's aunt, unexpectedly notified Charley that she would be unable to act as chaperone during a very important week end. Charley then disguised himself as the aunt so that the week end's fun would not be spoiled for his friends, Jack, Kitty, and Amy.

Mrs. Analee Huffaker directed the Concert Choir production of this play, which was presented on April 10, 11, 17, and 18.

*"Make a miracle and marry me!" proposes Charley (Alan Hubbard) to Amy (Kathy Matthews).*

*"Mr. Wykeham!" exclaim Kitty (Cheryl Horne) and Amy (Kathy Birmingham).*

*"... and by George we're going to dance once again," says Sir Francis (Steve Jones) to Beverly Smythe (Francine Rudine).*

*Charley as Donna Lucia (Charles Turet) versus Spettigue (John Langston).*

*"Be gone, my good man!" commands Charley as Donna Lucia (Alan Hubbard) to Spettigue (Jim Roderick).*

Charley	Charles Turet, Alan Hubbard
Amy	Kathy Matthews, Kathy Birmingham
Jack	Steve Calvert, Dick Baker
Kitty	Kathy Doyle, Cheryl Horne
Spettigue	John Langston, Jim Roderick
Sir Francis	Steve Jones, Will Utay
Donna Lucia, alias Beverly Smythe	Francine Rudine, Sue Boyd
Brassett	Don Volkner, Steve Bryant
Wilkinson	Ron Bohlander, David Tomanek
Photographer	Paul Corman
Reggie	Mike Cosgrave

*"We ARE alone for a moment" comments Jack (Steve Calvert) to Kitty (Kathy Doyle).*

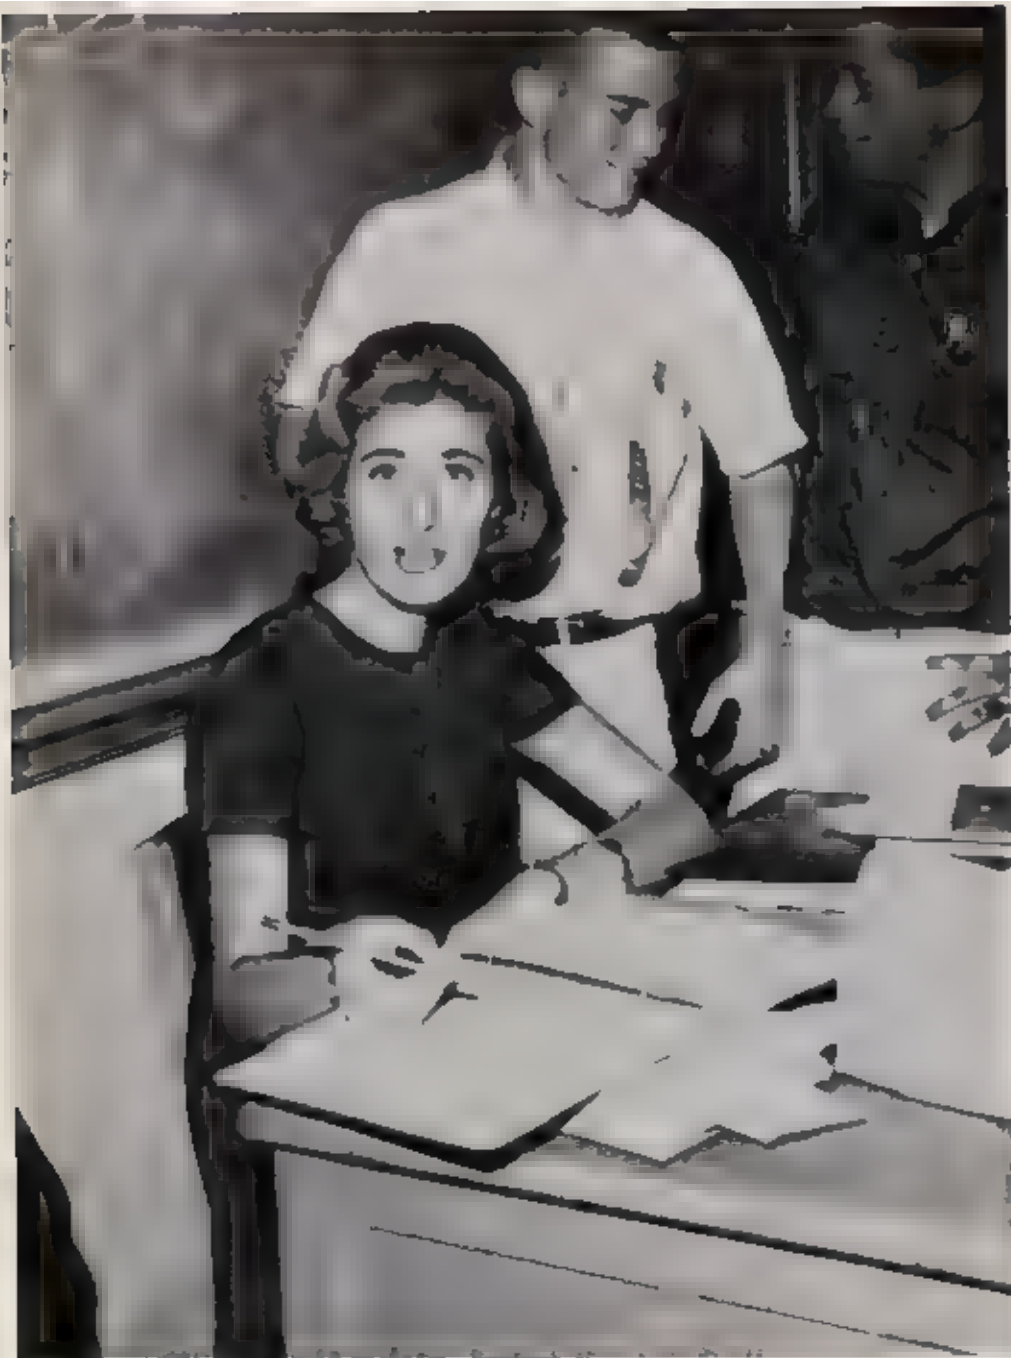

*"But, Amy . . ." Charley (Charles Turet) and Amy (Kathy Matthews).*

*"Why, aren't you Lieutenant Chesney?" asks Beverly Smythe (Sue Boyd) of Sir Francis (Will Utay).*

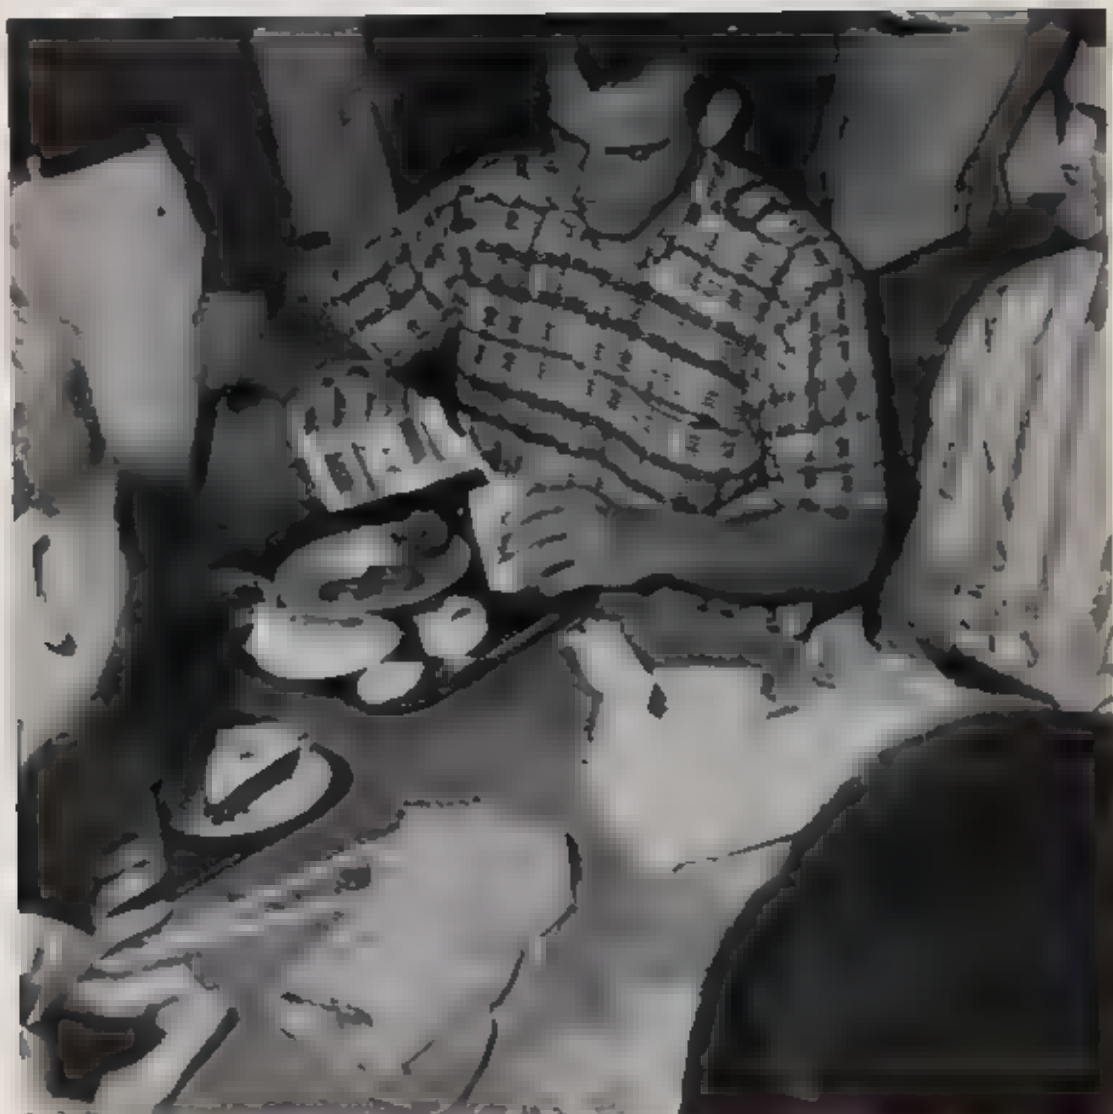

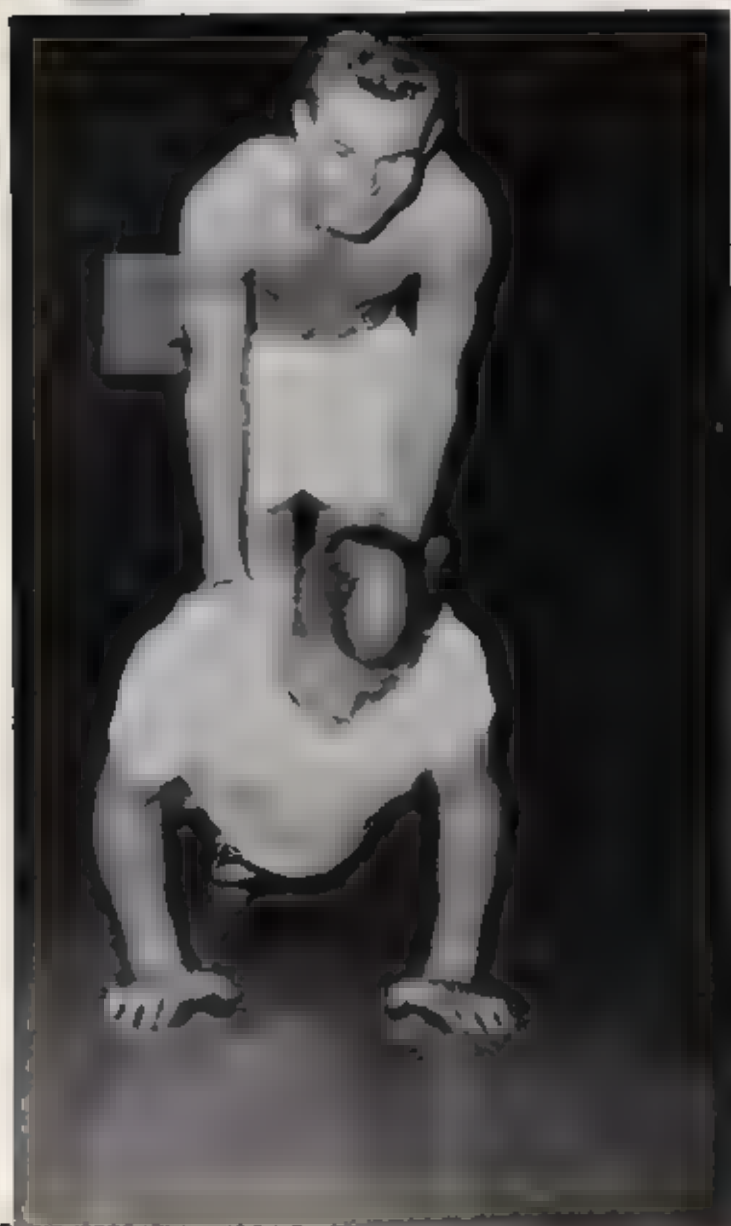

*Perplexing the teachers with astute questions was a common occurrence.*

## May Brings Nostalgia

There are many things which each Rebel will remember as he looks back on his year at TJ. He will remember not only the spectacular events but also the happenings which took place every day. Greeting friends in the halls, studying in the library, volleyball tournaments in gym class, club meetings after school, are memories held by each Jefferson student. It is these daily incidents which help make high school the unique experience that it is.

*Lunch time gave students the opportunity to be with friends.*

*Rebels enjoyed stimulating gym classes.*

**TJ**

*Driving in the TJ parking lot was an unforgettable experience!!!*

*Graduating seniors said "good bye" to the friends and fun they had in high school.*

*The 1964 Commencement announcement.*

THOMAS JEFFERSON  
HIGH SCHOOL

Now, at the close of our year here at T J, we look back on the excitement of our experience. We remember the lasting friendships, the teachers, the fun, the infrequent moments of unhappiness, all of the factors which make high school a unique experience. We will remember singing the Alma Mater after each pep assembly.

Hear our proud voices,

Sing our praises true,

Sing of our firm devotion to  
our school.

Beside us stands God to guide  
us in the right.

Thomas Jefferson, the Red and  
Blue,

Evermore to reign

These memories we shall treasure through the years.

# T J Outstanding

Mike Robertson, Tom Rhodus, Steve Jones, Genevieve Griffin, Bill Dorman.

## National Merit Scholars

In March, 1963, outstanding juniors all over the nation participated in the National Merit Scholarship Tests. Of these, nine T J students achieved the status of semi-finalists by making exceptionally high scores on the qualifying tests. National Merit winners are chosen on the basis of a second examination, leadership, activities, creative accomplishments, and good citizenship. Each Merit Scholarship is a four year award to cover college expenses of the winners.

National Merit Letters of Commendation were sent to those students who made excellent grades on the qualifying tests.

## Document Beauties

DOCUMENT Beauties were chosen on the basis of facial beauty, poise, charm, and personality. The beauties were nominated in the fall by the home-rooms. Each nominee submitted a photograph and twenty-eight semi-finalists were selected by the judges on the basis of these photographs.

On February 8, the judges were given an opportunity to interview each semi-finalist at a tea held at the home of Dr. and Mrs. R. J. Thornton. The DOCUMENT staff is pleased to present the selections of the judges.

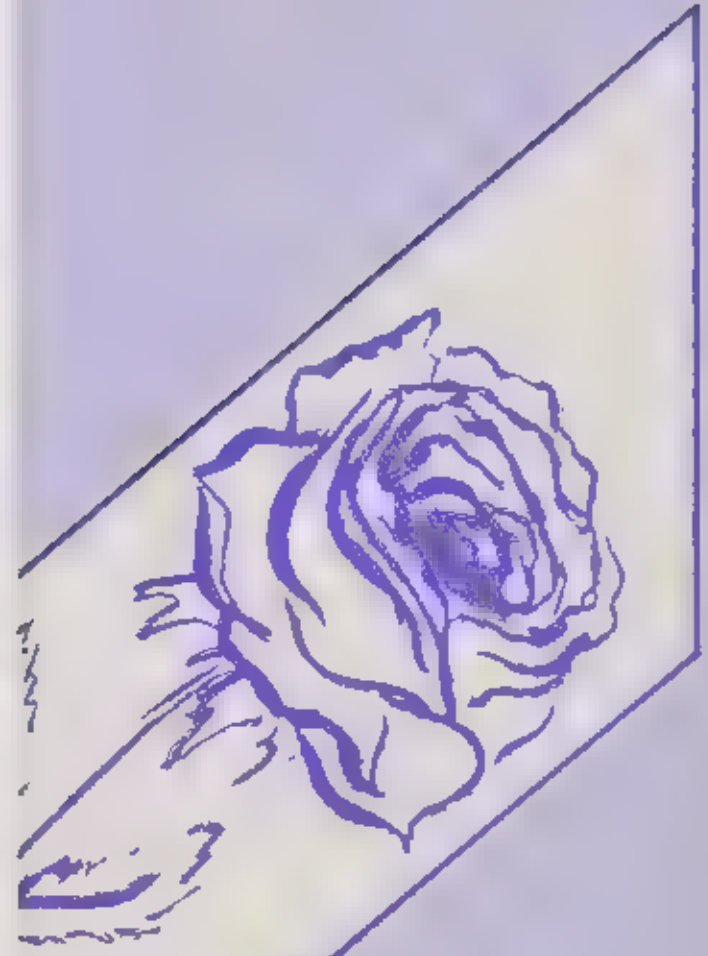

*The Judges were Polly Johnson, President of Fashion Features, and Jim Underwood, News Reporter for KRLD television*

Organization

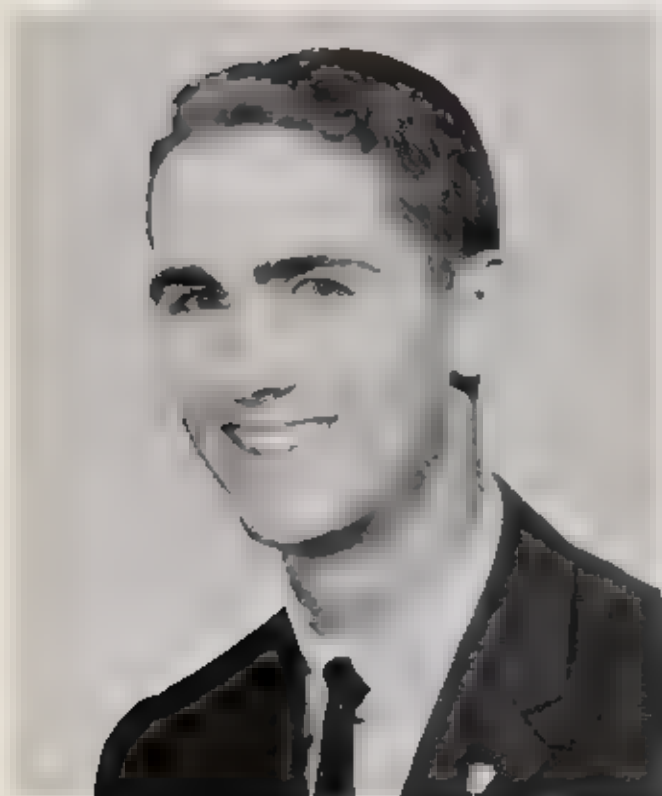

# Student Council . . .

## Voice of the Student Body

Objectives of the Student Council are to further student-teacher relations, to help in the community, to help develop TJ students into mature leaders, and to act as the co-ordinator for social events. Under the sponsorship of Mrs. Dee Brock, the 1963-64 Student Council has strived to meet these objectives through projects and dances. The Howdy Dance, Homecoming Activities, and Winter Dance were successful social events sponsored by the Council. TJ's Student Council aided the community by organizing a school-wide Thanksgiving Basket project, in which 99 baskets of food were taken to needy families in Benito Juarez school. Teacher Appreciation Day was held in February, in which a coffee was given for the teachers and each teacher received an apple and a letter of appreciation. The Council also helped out in the Career Clinic, in which speakers came to tell about their occupation.

The Student Council is made up of the Executive Committee—President, Vice President, Secretary, Treasurer, 6 Members-at-Large—and representatives and alternates from each homeroom.

# Recognizes Top Students

A torch burning the light of character, service, leadership, and scholarship is the symbol of the National Honor Society. The high school student who aspires to the honor of election to this society should strive to hold this torch high, not to shed light on himself but out on the world.

The four ideals—character, service, leadership, and scholarship—are the watchwords of the members and the criterion for their election. Character is first, for if one will guide others he must first honestly direct his own life. Service is also essential, for the life which does not reach out with a helping hand shrinks to oblivion. Leadership is required that complacency and disunity may not obstruct worthy intentions. The last ideal, scholarship, emphasizes the purpose of school: to break the shackles of ignorance.

Junior and senior students qualify for election on this last ideal; they must maintain a B average and make no grade lower than a C on the semester average in any subject. In the spring the faculty selects from the qualifiers those students who they feel have responded best to the challenge of the four ideals.

The National Honor Society in which the Thomas Jefferson chapter participates has been sponsored by the National Association of Secondary-Principals since 1921. College scholarships are awarded each

year by this national organization to those members of NHS who exhibit exceptional scholastic promise and indicate a need for financial assistance.

# Key Club . . .

## Service Is the Key

Key Club is an international service organization sponsored by the Kiwanis International. It has many objectives: to develop initiative and leadership, to serve the school and community, to develop intelligent and aggressive citizenship, and to promote high ideals of patriotism, friendship, and unselfish service. Throughout the year, the club participates in the Heart, Cancer, and March of Dimes Drives and undertakes many projects to better the school and community.

What is an annual? As it is opened by students for the first time, it is excitement—of curiosity finally satisfied and of pride in one's school. Ten years from its first opening, it is amusement of wonder at changing times and old acquaintances. But twenty years from 1964, it is nostalgia—of sweet memories and precious loyalty to the old "alma mater."

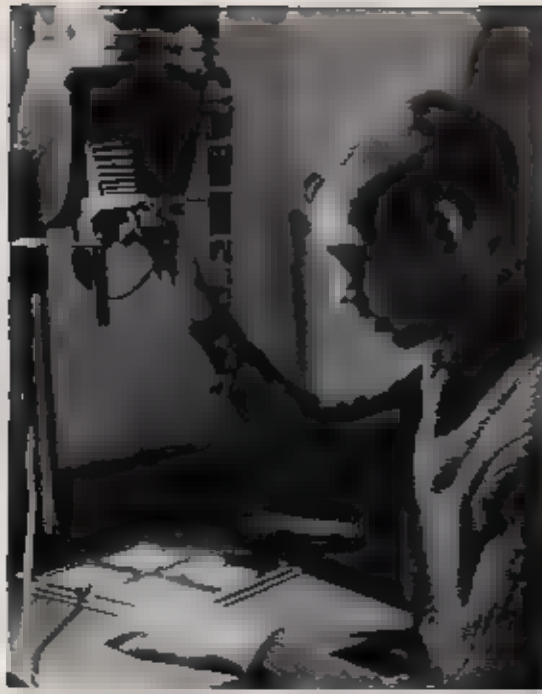

What makes an annual? Constant searching for information and accurate facts, taking myriads of pictures, writing and revising copy, planning and drawing layouts, and tedious proofreading all went into the making of the 1964 *Document*. Success did not come easily. One could find the annual staff roaming the halls of TJ, or in its cramped workroom every day trying to work out the infinite number of details. Each member was responsible for a specific section and each shared in the nail-biting tension to meet deadlines. Although members of the staff often felt like giving up, they didn't because they had the help and guidance of the sponsor, Miss Joanne Vassallo, and the knowledge that the students of Thomas Jefferson would treasure the excitement, amusement, and the nostalgia contained in the best annual yet, the 1964 *Document*.

With the publication of the first edition of the *Document*, a tradition was established to recognize those whose contributions to its success proved especially outstanding. The *Document Award* honors not only journalistic achievement, but also unselfish service and willingness to perform beyond that which is expected; in honor of the first seven winners, no more than seven elections in any one year will be recognized. It is hoped that each successive group will live up to the standard of excellence begun by the first, and continued by the following awardees.

# The Reveille . . . Mirror of Student Activity

" . . . The journalism which succeeds best—and best deserves success—fears God and honors man; is stoutly independent, unmoved by pride of opinion or greed of power, constructive, tolerant but never careless, self-controlled, patient, always respectful of its readers; is unswayed by the appeal of privilege or the clamor of the mob, seeks to give every man a chance . . . "

This is part of the Journalist's Creed. It is the standard by which a newspaper is judged and by which the newspaper judges itself. This is the creed that the Thomas Jefferson *Reveille* tries to uphold. Keeping the students informed about the happenings in their school by reporting the news in an unbiased way is the main goal of *The Reveille*.

*The Reveille* is published bi-weekly by the journalism department. Assisted by the capable sponsor, Mrs. Maurine Fussell, the staff tries to bring to the paper's subscribers all the news that is important and worthy of their time. *The Reveille* is the student's newspaper. It will always try to please the students of Thomas Jefferson.

## Reb Belles . . . Highlights of Half-Time

With a flash of the familiar blue and red, high stepping, precision perfect Reb Belles greatly add to the half time performances at each Thomas Jefferson football game. The colorful Reb Belles' dance routines are executed by sixty-three carefully selected girls under the expert guidance of Miss Sarah Hardy.

Reb Belles sell ribbons, tickets, plan social events, look forward to an annual banquet and blissfully work out in early morning hours to achieve the

standard of "Excellent" earned in the city-wide half time show competition.

Each Reb Belle earns her membership by grades, poise, appearance, ability, and teachers' ratings. Reb Belle appearance in support of all TJ activities is taken for granted, for in uniform or not, Reb Belles perform their most notable service as a "best foot forward" for Thomas Jefferson.

## Rebel Band Puts Best Foot Forward

Mr. James L. Fox  
*Sponsor*

"To the football fans of Dallas . . . Thomas Jefferson is proud to present . . . the Rebel Band . . . R . . . E . . . B . . . E . . . L . . . S . . . Rebels . . . Hey!"

As these words echoed through the stadium, students, faculty, and spectators turned to see and hear the grandeur of the half-time activities as presented by the Rebel Marching Band. At all times the emphasis was placed on musical performance, perfection and enjoyment, carrying out their theme, "Look Sharp." The Rebel Marching Band, under the direction of James L. Fox, is one of the largest in Dallas, boasting a membership of 120 musicians. The band played at all football games and pep rallies and performed in numerous outside activities which included the Opening Day Parade of the State Fair of Texas, the Parade of the Stars and Stripes, a concert on the Mobil Stage, pre-game activities with the SMU Mustang Band at the Cotton Bowl, the Big "D" Half Time Show, the Dallas Invitational Track Meet and the Spring Football Game. Plumes and gloves were put away as concert season started. Due to the large size of the marching band, the group was divided for the second semester into the Symphonic Band and the Concert Band.

## Outstanding Members Chosen for All State Band

Jefferson is proud of its representation in the North Texas Region Band and the All State Band this year. David Olan, clarinet; Doug Saxson, alto saxophone, and Ricky Reece, trombone, won chairs in the All Region Band. They competed in tryouts held in December at Texas Christian University in Ft. Worth against the outstanding band students from more than fifty high schools in the North Texas Region. These three students already having honored their school were given the opportunity to bring further fame to Jefferson.

Competition for the All State Band consisted of members from the sixteen Region Bands in Texas. The tryouts were held in Houston in February with the musicians as guests of the Texas Music Educators Association Convention. Despite the heavy competition David Olan, first chair clarinetist, won a place for himself and his school in this honor band.

## Rebel Stage Band Swings Through Year

Those mellow tones heard daily from the band room come from the members of the Rebel Stage Band, an expansion of the total music program of T.J., and is composed of nineteen guys and a doll. Led by band director James L. Fox, this small and versatile group displays their talent for playing popular music, big band jazz, and swing. Much time was spent in a serious study of music theory. From this study of theory many members learned the art of improvisation, and how to compose for stage bands. The Stage Band competed in stage band festivals at SMU, Dallas, and in Brownwood, Texas. They played for various school dances and entertained the students on several assemblies.

## Orchestra Aids Many School Programs

Thomas Jefferson's Symphony Orchestra, under the direction of Mr. Weldon Wendland, has the honor of performing for special school programs such as the Christmas assembly and also for the spring musical. The Orchestra performs in Dallas at Music Day during the State Fair, at the Museum of Fine Arts, and in the city orchestra festival.

Membership in the Orchestra is open to those people skilled in playing a musical instrument and offers opportunity for participation in the nationally recognized Dal-Hi Symphony Orchestra and the All-State Symphony Orchestra.

# Eight Orchestra Members Chosen for All-State Honors

The All-State Symphony Orchestra is composed of the most talented high school musicians in the state of Texas. Eight members of the Thomas Jefferson Symphony Orchestra were selected for the All-State Orchestra. Each applicant had to pass a regional audition before qualifying to send a tape recording of his audition to Houston for final selection. Membership in the All-State Symphony Orchestra is the highest honor an orchestra member may receive.

# General Chorus Shows Musical Ability

Thomas Jefferson's General Chorus is open to any student interested in vocal music. Under the direction of Mrs. Analee Huffaker and Mr. Jack Cannon, the General Chorus has assisted the Concert Choir in the Christmas and Thanksgiving assemblies and has presented the music for the Brotherhood and Easter assemblies. Many participants in the Chorus later advance to the Concert Choir level, and consequently receive valuable aid toward this goal.

## Concert Choir Builds Spirit in Song

*Concert Choir presents Christmas assembly to the student body.*

Thomas Jefferson's Concert Choir, under the direction of Mrs. Analee Huffaker, has strived in 1963-64 to uphold the scholastic and choral excellence which has made the past Rebel chorus well known in Dallas. The voice of the Rebellaires is made up of Juniors and Seniors, chosen by Mrs. Huffaker. Rebellaires combine music and fun to produce a unique quality choir. This year, the Concert Choir presented the Thanksgiving, Kennedy Memorial, and Christmas assemblies to the student body. Each of these programs was the result of long hours of hard work in the day—every Concert Choir member has either third or fourth period choir with Mrs. Huffaker. The spring musical "Where's Charlie?" was a great success due to the dedication and co-operation of the Choir.

# Art Service Club . . . Behind the Scenes in Play Productions

*Mike Sibley helps on senior play sets.*

Sponsored by Miss Marian Cole, the Art Service Club is one of the oldest, largest, and busiest clubs in the school. Each year, armed only with paint, brushes, scissors and tape, the members tackle a mountain of assignments, including such projects as decorations for the Homecoming and Christmas Dances, sets for the Senior Play and the musical, and assorted posters and programs.

However, the Art Service Club strives to create an interest and appreciation in art, as well as fulfilling its goals in the realms of craftsmanship, originality, creativity, and design. Films on many phases of art are shown and field trips and sketching parties are also included on the calendar of events. The Art Service Club strives at all times to open new doors to those interested in art, while serving Thomas Jefferson in its creative needs.

Promoting the interest of dramatics and knowledge of the theater throughout the entire student body is the purpose of the Thespians. The activities this year consisted of attending several plays, having guest speakers at meetings, participating in drama contests, presenting a one-act play for Interscholastic League Competition, and presenting a pay assembly for the student body. Through these many activities and opportunities, Thespians has become an organization of high esteem and great benefit to those interested in the creative art of drama.

# Library Service Club Increases Efficiency

Members of the Library Service Club devote time and effort to helping others make profitable use of the Thomas Jefferson library. They also attempt to encourage the reading and enjoyment of good books. Under the direction of Mrs. Ruth Smith, the Library Service Club strives to help students "unlock the vast treasures that can be found in books."

## Office Assistants Help in Dean's, Principal's Offices

Office assistants aid the Dean of Attendance, Mrs. Edith Cooper. They are chosen on a volunteer basis with requirements of no grade below a C and preferably a B average. Duties consist of collecting daily reports, delivering call slips and messages to teachers, and innumerable other activities for the office.

## Clinic Assistants Aid Nurse

Clinic assistants aid the school nurse, Mrs. Elizabeth Childs, in running an efficient clinic. They are chosen on a volunteer basis and are screened by the nurse according to grades and sincerity. The assistants' duties include checking eyes, taking temperatures, weighing and measuring students, and helping to complete complex school forms.

## Language Lab Assistants Aid Language Teachers

Language Laboratory assistants devote one study hall a day to helping maintain an efficient laboratory. Their duties are to keep the equipment clean and in working condition. If a machine does not work, the student assistant does his best to correct it or places the student at another machine. Their

presence in the lab allows the teacher more uninterrupted time to carry on her foreign language class. Under the guidance of Mrs. Philips the assistants have been trained in the mechanical operations of the laboratory and the requirements for its upkeep.

## Projectionists Help in Film Room

Projectionists devote their study hall periods to work in the visual education room, and are responsible for the operation and maintenance of the projector. Members undergo a period of training in which they are personally instructed by the sponsor, Mr. Bill Jordan.

## Y-Teens . . . Growth Through Service

"To grow as a person; to grow in friendship with people of other races, religions, nationalities; and to grow in the knowledge and love of God." these are the purposes of the Y-Teens.

TJ's Y-Teens, the largest in Dallas with a membership of 225, adopted an underprivileged family this year for whom they have collected canned goods, clothing, and toys at Thanksgiving, Christmas and Easter. Other service projects include accompanying orphans from the Fowler Home for a day at the zoo, making tray favors at Christmas for the Children's Memorial Hospital, taking orphans from the Dean Memorial Home to the Y.W.C.A. World Friendship Fund. Providing the Monday morning inspirational devotional was also a Y-Teens project.

Meetings were held once a month with interesting speakers at each meeting. May Levillayer and Georg Kittel were made honorary members at the November meeting after telling the Y-Teens about their countries. Mrs. Irene Penry and Mrs. Claranelle Weekley were the faculty advisors.

# Junior Citizens Traffic Commission Encourages Safety First

Organizing and promoting traffic safety in the Thomas Jefferson school district is the main goal of the Junior Citizens Traffic Commission. All the Dallas schools have traffic commissions which meet once a month at the Administration Building. Several times a year each school sends representatives to serve on the jury at the traffic court. Thomas Jefferson also sends several delegates to represent the school at the yearly convention at Southern Methodist University. The annual driving rodeo, in which many Jefferson students have been commended for their skills, is another safety program sponsored by the Junior Citizens Traffic Commission.

## Future Homemakers Study Home and Family Life

Promoting better family living and making the community a better place in which to live are the goals of the Future Homemakers of America. During the year, the club holds many service projects, including sponsoring an Easter egg hunt for orphans and adopting grandmothers. Other high points in the activities of the club are fashion shows and field trips. Serving as sponsors of FHA are Mrs. Betty Graham and Miss Mary Tucker.

## Future Nurses Study Techniques of Profession

Endeavors of the Future Nurses Club consist of trying to give its members an idea of the many opportunities in the medical profession and helping them decide if their personal aspirations lie in this field. Under the sponsorship of Mrs. Elizabeth Childs, the club strives to give an insight into the nursing field with the emphasis on the life of dedi-

cation and service any member of the medical field must lead. Field trips to hospitals and nursing colleges, films, speakers, and demonstrations are sponsored by the club during the year. Through service projects and volunteer work, members of FNA discover the rewards of a career in medicine.

## Future Teachers Plan for Profession

In 1937, the National Education Association Representative Assembly approved a proposal by J. E. Morgan for "Future Teachers of America" groups. Since that year FTA has grown from one high school club with 72 members to 5,621 high school clubs with over 196,000 members. The Criterion Future Teachers Club of Thomas Jefferson is an active part of this growing movement. Membership affords students an excellent opportunity to explore the possibilities of teaching as a career.

The purposes of the FTA are to learn about the teaching profession, its opportunities, responsibili-

ties, and its important role in our democracy, to explore individual interest and abilities in relation to the various fields of teaching, to cultivate the qualities of personality, character, and leadership which are essential in good teachers, to learn how teachers receive their training, and to study the lives and influence of great teachers. Through a plan of interesting and informative programs, projects, and social activities, members of the FTA, along with the sponsor, Miss Sims, have fulfilled these purposes.

## Walk Together, Talk Together

*Mrs. Elizabeth Harris, highest woman official in Peace Corps, gave an informative talk to the club.*

To further world-wide friendship and understanding is the purpose of the Thomas Jefferson International Club. Services the club provides include supporting the American Field Service Booth at the State Fair on High School Day, "trick or treating" on Halloween for UNICEF, and coordinating several school displays to promote world peace. An AFS Christmas card sale and a garage sale were held as money making projects. Thomas Jefferson's three exchange students provide interesting knowledge of their foreign homes. Under the direction of Mr. Arch Gibson, members of the International Club meet after school on alternate Wednesdays.

Not only has the French Club changed in name (from "Entre Nous" to "La Fleur de Lis"), but it has also changed in purpose. This year the club has endeavored to learn about France by regular study of the royal family and by reading French literature. Occasionally the club meetings are highlighted by lectures and films of France. In order to insure that only students interested in accomplishing the purpose of "La Fleur de Lis" will join, the club offers membership only to second year students maintaining a 2.5 average in French. Through these methods, "La Fleur de Lis" has abided by its motto: "Savoir C'est Comprendre"—knowledge leads to understanding.

Les Amis, the Thomas Jefferson French Club for first year French students, is an extracurricular activity open to all students. The purpose of the club is to stimulate interest in France and to provide more time for learning about the customs of the

French. Films, speakers, and various other media are used at the highly entertaining meetings. Through these meetings, the French language and its beauty, become real and interesting for the members.

# La Coterie Stimulates Enthusiasm in Study of French Culture

"La Coterie est une honneur, un privilege, et une source de plaisir pour les etudiants francais."

Created for advanced and exceptional French students, La Coterie meets to combine ideas on France and the French way of life. The speaking of French at the meetings is encouraged so that students may become adept in the language.

Membership in Coterie is open to all students above second year level who have shown an above average interest in French and who are interested in furthering their general knowledge of the customs and culture of France.

## Los Linguistas Study Life and Customs of Latin America

United with the purpose of gaining an understanding and appreciation of the major languages of the world and the people by whom they are spoken, Los Linguistas grants membership to all those with a "B" average and who are studying a foreign language. Sponsored by Mrs. Belen Ortega, the group enjoys such activities as the celebration of "El Dia de los Muertos," or the Mexican Halloween, in which members take a trip to the graveyard to sing songs to the dead. Persons speaking foreign languages often lecture in their native tongues to students during meetings, and members feel that the club has well accomplished its objectives this year.

## **T** Spanish Honor Society Emphasizes **Use of Language to Advanced Students**

La Sociedad Honoraria Hispanica is, as its Spanish name implies, purely an honor society. The purpose, as stated in the constitution, is "to recognize high achievement in Spanish by students of secondary schools and to promote a continuity of interest in the Hispanic studies." Elections are regularly held twice each year, for juniors in the spring and for seniors in the fall who meet the grade requirements. The Thomas Jefferson chapter, Jose Vasconcelos, was named in honor of the Mexican author and founder of Mexico's system of public education.

Students in their first two years of Latin study have formed the Senate of the Roman People for the purpose of lighthearted enjoyment in the present while studying and enjoying the wisdom, customs, and language of the once powerful Roman people. The S.P.Q.R. has retained a zest for life and luxury in a comparison of common interests, which tie the group together with the Rome of the past to the Thomas Jefferson of today.

The annual banquet was the highlight of the

year's many activities. As the Latin students have recreated in their club activities, "the grandeur that was Greece and the glory that was Rome," they have had the opportunity to realize the richness of their heritage from their ancestors of the golden past. Under the sponsorship of Miss Margaret Grimes and Mrs. Roberta Brown, the club meets monthly for Latin entertainment and lectures.

"Res" is an organization for advanced Latin students taking third, fourth, and fifth year Latin. Its purpose, to promote an interest in Roman life, history, and literature, and to encourage classical studies, is an important one, for often the writings of classical authors are our only link with the past, and our only source of information as to what great men of antiquity thought and did. ## Mitglieder Studies People and Customs

In order to accomplish the purpose of the German Club, which is to promote an interest in the language and in the people of Germany, the club has had many interesting programs. Activities included a presentation of colored slides of Germany and a panel discussion on modern Germany. At Christmas time Utta Ellermier, a German exchange student, told members about Christmas in her country. Several members presented a play in German and a German film was shown. The German Club activities were highlighted by a banquet at the Jaegerstube Restaurant at the end of the year. Mrs. Marlene Webb is the faculty sponsor.

# TJ Cheerleaders Boost Rebel Spirit

Thomas Jefferson's eight cheerleaders play an important part in varsity athletic competition. Under the direction of Miss Sarah Hardy, they spend many hours preparing for this role. During the summer the cheerleaders attended a cheerleading school where they won several first and sec-

ond place ribbons and an overall second place in competition with other Texas schools. The cheerleaders lead the twelfth man in the stands and inspire the team on the field. In pep assemblies and at games the cheerleaders help uphold the traditional Rebel spirit.

The Rebels had one of the worst seasons this year in the school's history. One of the big problems that the team faced was learning to work together, which they did accomplish toward the middle of the season. The Rebs were also plagued by numerous injuries which kept them from reaching their full potential.

A team is never able to be successful without the help of its coaches. The coaches are the backbone of the club and the ones who get the team rolling. ## Owls Crush Rebs, 28-0

The Rebels opened the 1963 football season on a sour note. It was Friday the 13th and the Rebs seemed to be paralyzed by the fact.

Garland took the opening kick-off and marched 76 yards for the first score with All-State fullback, Ralph Weaver, leading the way. The kick was good and the Owls led 7-0.

Late in the first quarter Reb linebacker Dave Shahan intercepted an Owl pass and returned it 15 yards to the Garland 25 yard line. Two plays later

Sam Shook fumbled at the 15 yard line and that was the last time the Rebs threatened.

On the first play from scrimmage in the second half Gary Bridges faked inside and skirted outside right end for 55 yards and the score. Sims' kick made it 14-0.

After that it was Garland all the way. The Owls scored on runs of 62, 18, and 70 yards although the 70 yard punt return and a 1 yard plunge were nullified. The final score was 28-0 in favor of the Owls.

South Oak Cliff. with "Mr. Do It Yourself" quarterback, Mike Livingston, trounced the Rebels Friday night 27-0. All the scoring was done in the first half as the Rebs got off to a poor start.

The Bears scored twice before running a play from scrimmage as they capitalized on Rebel miscues.

On the opening kickoff, Livingston raced 78 yards for the touchdown, and it was 6-0.

The Rebs took the kickoff and marched to the Bear 12 yard line. While Rick Wilkerson bobbled a bad snap, a SOC linebacker blitzed into the backfield, stole the ball, and was off to the races, 88 yards. The kick by Livingston was good and the score read 13-0.

Two plays following the kickoff, the Rebs fumbled and the Bears went the distance in three plays. The kick was good and the Bears led 20-0. SOC ended the scoring late in the second quarter after Livingston quick kicked from deep in his own end of the field. Craig Neal touched the ball at the Rebel 22 and SOC recovered. With 45 seconds left in the half the Bears pushed across their final score on a six yard. Mr. Livingston converted and the final score was 27-0.

The Rebs held the Bears to three first downs the second half. Late in the game the junior team drove to the 5 yard line but a fumble on fourth down killed the drive.

# Knights Lance Rebs, 30-0

The long run again proved to be the Rebels' downfall as the Rebs fell at the hands of the Knights 30-0.

Although the Rebs showed signs of a good defense, the offense was again stopped.

Late in the first quarter a Kimball safety grabbed a punt on the 50 and returned it all the way.

A safety and two pass plays of 20 and 64 yards respectively in the second period, proved too much for the Rebs. The Knights pushed across a 3rd quarter score to end the scoring.

Late in the fourth quarter, end Raymon Puckett took a pass from Rick Wilkerson and carried it to the 3 yard line. But Jefferson's chance to score was spoiled when Rick fumbled the ball and Kimball took over to run out the clock.

The outstanding TJ players were Scott Bishop and Glenn Showers.

## Leopards Slip Past Rebs, 16-14

The Rebs were well on their way to sneaking past the sleeping Leopards for their first victory when they stepped on the tail of the Leopards and caused them to strike back.

Jeff scored its first touchdown just before the half. The Rebs went in after a 56-yard drive with Wilkerson hitting Shook for the 3 yard scoring play. The extra point kick was blocked.

Then in the third quarter Shook jumped on an Adamson fumble at the Leopard 19 and the Rebs were across again in four plays. The payoff once again was a 3-yard pass from Wilkerson to Shook. This time Wilkerson connected with end Raymon

Puckett for 2 points.

The Rebs appeared to have the cat in the bag when the final quarter began. They had built up a safe 14-0 lead against the Leopards.

Adamson hadn't threatened to score until the fourth quarter when Prewitt smashed over off right tackle from the 7 for the first Leopard touchdown. This occurred with 11:36 remaining in the game. Then Sigler connected with Gorman for the vital 2 points and the Leopards trailed 14-8.

Adamson then had to travel 64 yards for the tying touchdown, and the winning extra points.

## Jeff Romps N.D., 21-6

The Rebs chalked up their first victory of the season with a strong 21-6 win over the North Dallas Bulldogs.

Fumbles and pass interceptions kept the Rebels within striking distance throughout the first two periods. But the scoring punch just wasn't there.

TJ took three of its opponents' fumbles and one of three pass interceptions in the first half. It was one of the fumble recoveries that set up the first Rebel TD march.

Reserve quarterback Johnny Daniel hit speedy Frank Cain with a quick look-in pass for the touchdown. And another Daniels to Cain toss gave the Rebels an 8-0 lead at half time.

In the third quarter Maurice Main made the only score for North Dallas.

A pass interception by Raymon Puckett on the next to the last play of the third quarter triggered the first of the back to back marches. This drive went 45 yards in five plays.

A Mitch Worley to Craig Neal pass for 19 yards and a 16-yard burst through left tackle by Bobby Hall were the campaign's highlights. The Hall charge put the Rebs on the Bulldog 16 and Glenn Showers sped through right tackle for the score.

Three plays and a short punt off the side of a Bulldog foot saw the Rebels march again.

In four plays they went to the Bulldog 29, where Hall sprinted through left tackle and groping arms for the score.

The outstanding players were Bobby Hall and Glenn Showers.

## Rebs Stampede the Bisons, 19-0

The Rebels continuing their comeback drive, completely outclassed the Sunset Bisons 19-0 behind the torrid passing of Rick Wilkerson and the powerful running of Glenn Showers and Sam Shook. Two Sunset fumbles and a fourth quarter pass interception set up the three Rebel scoring drives.

Dan Gilmore's second quarter recovery of a fumble at the Bison 24 resulted in the first TJ score. Two plays later, halfback Sam Shook ran the ball to the Bison 9. After four plays, with a fourth and seven situation, quarterback Rick Wilkerson lofted a perfect screen pass to Glenn Showers who ran it out for the score.

The Rebs' next score came when Dave Shahan snared a Bison fumble on the Sunset 34. Six plays later Wilkerson was in for the score on a one-yard quarterback sneak.

The Rebels' final score came in the fourth quarter. Raymon Puckett stole a Bison pass at the

Sunset 45 and ran it to the 39. On the next play, it was Puckett again as he took a pass from Wilkerson and moved the ball to the Bison 23. A penalty against Sunset advanced the ball to the 11, where on the next play, Sam Shook went in for the score.

A last minute Sunset drive got down to the Rebel one yard stripe, but the final gun sounded before the Bisons could score.

The Rebels had their second victory of the season.

## Rebs Mauled in District- Opener 52-6

Taking advantage of the many costly mistakes that the Rebels made, the Bryan Adams Cougars walked over the Rebels for a 52-6 victory. This was absolutely the worst game the Rebels have played. They did not seem to have their usual click.

The Rebels could not get past the tough Cougar defense which kept the Rebs in their own end of the field most of the game. Four times the Rebs fumbled and four times the Cougars scored. The Cougars also made one score on an interception.

The Cougars' offence was sharp as they rolled for 325 yards total offence. Quarterback Gary Collet led the Cougars to six of their eight scores.

But, the Big Rebs refused to go down without a fight and early in the fourth quarter the Rebels finally put together a scoring attack. They moved 73 yards in 16 plays for their single score. Sam Shook rumbled 12 yards through the center for the touchdown. The extra point run was no good.

This game started the Rebs out on the wrong side of the zone for the district opener.

## Rebs Lose Grudge Game, 21-0

The fired-up Rebels played an excellent game against Hillcrest but because of a few costly mistakes came out at the low end of the totem pole.

During the first quarter the Rebels held the Panthers except for a beautiful 64 yard touchdown dash by Scott Blessing, the Hillcrest speedster. The kick was good and the score read 7-0, Hillcrest.

The second quarter fairly coincided with the first quarter but neither team could break the other's defense.

During the third quarter the Rebels had a fourth down situation and punted to the Hillcrest 4 yard

line where a Hillcrest safety fielded the ball, cut to his left and scampered 96 yards for the second score. The kick made it 14-0.

In the fourth quarter Scott Susong took a pitch-out and rolled around, bounced off four would-be tacklers and raced 60 yards for the final score. Cox's third extra point made it 21-0.

The Rebels put up a good defense throughout the game yet they could never muster a sustained drive. The whole defense deserves much praise for a great effort.

## Spartans Spank Rebs, 27-7

With a new spirit the Rebs made a come-back during the second half but it was then too late, for the Samuell Spartans went on to down TJ 27-7.

The Spartans hit quickly and picked up three of their four touchdowns in the first half on runs by their fullback Johnny Johnson.

The first Spartan touchdown came after they recovered a Reb fumble on the Spartan 40. Two plays later, Johnson was in for the score with a 25 yard run.

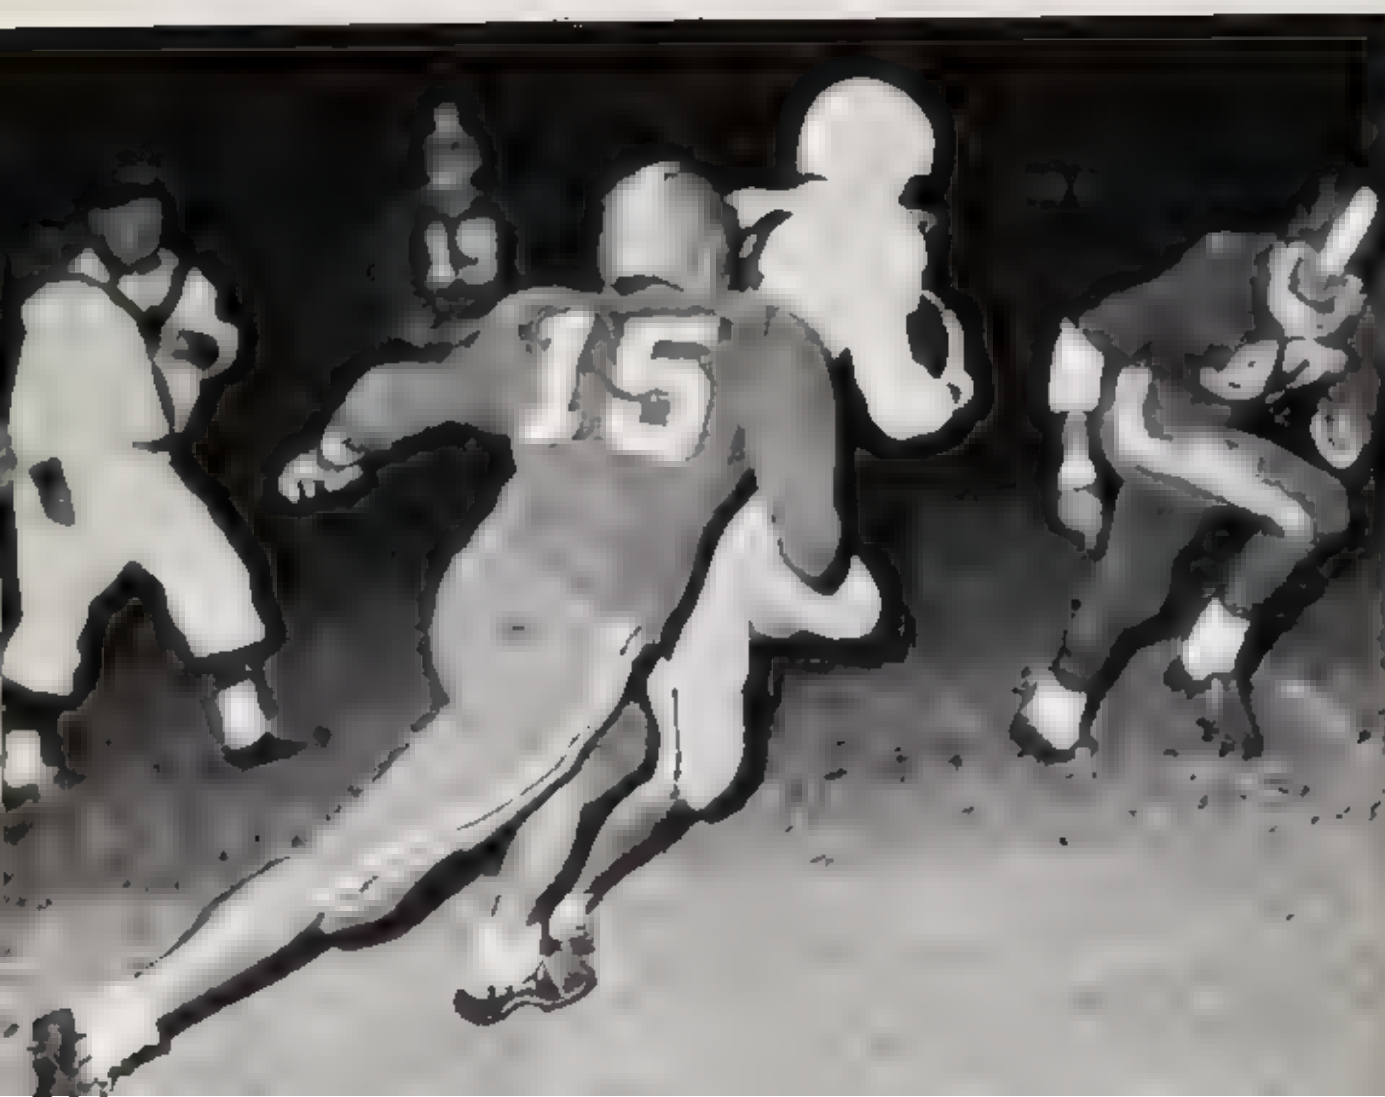

During the second quarter the Spartans struck again. This time after a Reb quick-kick, the Spartans moved in from the Reb 25 with a 15 yard run by

Johnson.

With little time left in the second period, the Spartans tallied again after a passing attack which began on their own 30.

But the second half was a horse of a different color. Even though the Spartans managed to score early in the third period, the Rebels had the ball most of the time and allowed the Spartans only 6 net yards rushing.

Late in the final period the Rebels were able to score, with a drive starting at the TJ 15 and ending when Johnny Daniel hit Frank Cain in the end zone with a 15 yard pass.

## Rebs Fall to Wildcats, 35-13

In the final game of the season the Rebels fell to Woodrow Wilson 35-13. But the score does not tell the true story.

Woodrow controlled the first half and led 28-0 at the end of two periods. The second half started and so did the Rebels. With Mitch Worley throwing, Frank Cain and Steve Clark receiving, the Rebels quickly moved for a score.

Minutes later the Rebs were again knocking on

the door. The score came on a four yard plunge. The score read 28-13. After the kickoff the Wildcats were forced to punt. The ball rolled dead on the Rebel 1 yard line. Sophomore Ricky Parrot intercepted a Worley pass and scooted 10 yards for the score. Back came the Rebels. This drive ended on the 12 yard line. As time ran out the Rebs were threatening again. This was surely the finest exhibition by the Rebs all year.

# 'B' Team Sports

## 8-3-0 Record

The 'B' team football squad had a good season this past year. Playing a total of ten games, they ended up with five wins and five losses.

The coaches, Dwight Parsley and Barry Dowd, did a fine job and although the team had a rough time starting, they came back to win five out of ten games.

Tommy Brewer and Jim Wilkinson did a superb job as managers by treating injuries obtained in workouts as well as in games.

# Rebel Cagers Win North

Winning the North Zone championship is an honor which few teams have the opportunity to hold. But for the TJ Rebels, having followed a recent line of state and regional champs, the honor seemed not to be wholly appreciated. Each victory was appreciated by over-anxious fans primarily as a step closer to "Austin in March."

The precedent had been set for the Rebels. They were pressured not only by the challenge of carrying out the newly established tradition, but also by the risk of disappointing the student body, if their efforts proved fruitless. Every school in the state chose TJ as the team to beat. Each team they met was out to knock off the mighty Rebs with a determination that, being the favored team, is hard to oppose. However, the Rebs showed themselves acutely capable of functioning under the pressure perhaps even more capable than under normal circumstances.

But no one realized the weight of circumstances more than the team. Although they may have wished to be the first successful team at TJ so that the glory and excitement of winning zone might be properly reaped, yet they understood their position well. Now that the season is over and the tension is gone, Rebel fans have begun to review the season in true perspective and appreciate the team's many accomplishments.

Having a new coach this year might easily have been a setback had he not been Barry Dowd. Coach Dowd started right in clicking with the boys and he was soon able to obtain the maximum potential from his team.

Jefferson managed a long season while facing one of the toughest schedules in the school's history. The Rebels triumphantly took the Dr Pepper Tournament for a fourth straight year. Several district and regional champs throughout Texas fell under the force of the Rebs in pre-season games. The climactic defeat by the Adamson Leopards, who were not able to get past the Rebs in the first go-round of the city play-offs, raised doubt as to whether a supremacy of skill or merely time, favored the opposing side.

More than the outcome of the score, the Rebels showed the myriads of fans who flocked to see them that a game worth playing is worth playing to the very best of one's ability. A victory far greater than a title was won as the Rebels showed their ability to play their hearts out and then accept defeat even as they accepted victory.

# Rebels Win Ft. Worth Tournament Crown

The Thomas Jefferson Rebels came on strong at TCU's Daniel-Meyer Coliseum to capture the First Annual Fort Worth Invitational Tournament.

The first game showed a rematch of last year's bi-district game against Arlington Heights. The Rebs won again this year by a score of 56-48. Heights fought back from 20 points down and came within 5 points before the Rebels put the game out of reach.

In the semi-final match the Rebs beat out a highly talented Haltom City team 67-66. TJ cagers, who led most of the game, were hard-pressed to fight off a fine Haltom effort in the final minutes.

The sixth victory of the year was against a strong Ft. Worth Poly team in the finals of the tournament. The Rebels, behind most of the game, including a twelve point deficit at one time, retaliated in the second half to win 69-64.

TJ placed Higginbotham, who scored a total of 54 points for the three games, and Steve Hulme, whose 55-foot shot was the highlight of the tournament, on the five-man All-Tournament Team. Miller was second high point man with 37.

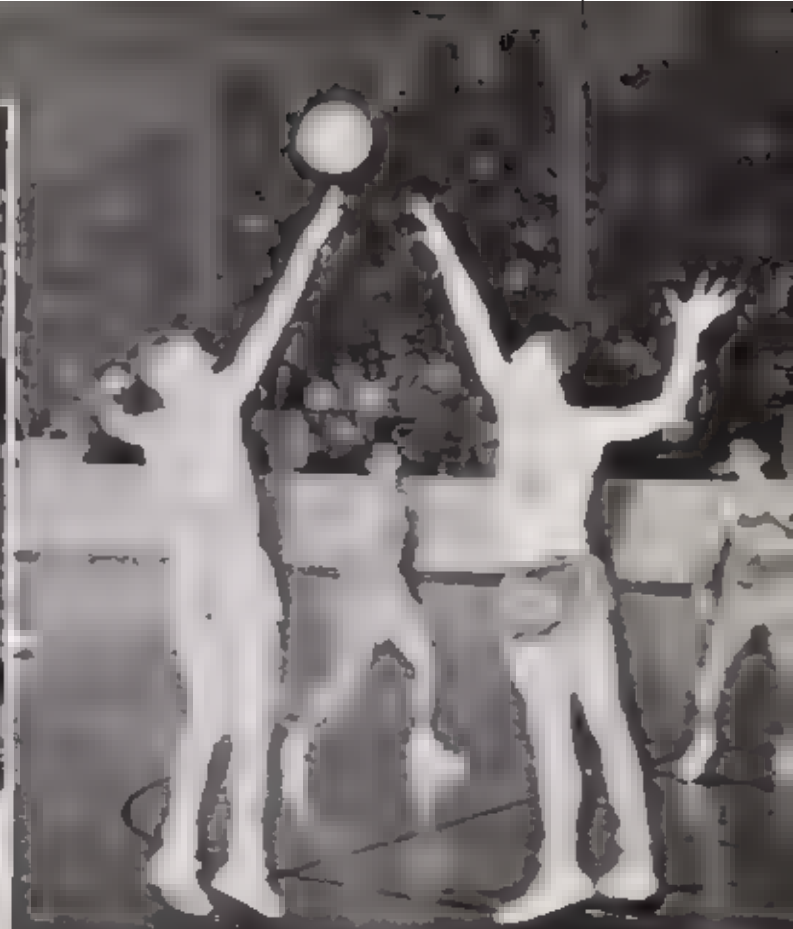

## TJ Falls in Denton

Falling in their bid for a third straight Denton Tournament crown, the Rebel cagers were defeated by the Arlington Heights Yellowjackets, 58-51, in a semi-final match in Denton. Heights went on to defeat Denton 61-51 to win the championship.

In the first game, the Rebels beat Haltom City, 79-68—the battle that was supposed to determine the tournament champs. TJ showed exceptional balance with four starters, Hulme, Miller, Higginbotham, and Smith, hitting in the double figures.

The Yellowjackets, who scored 24 points in the third quarter of the second game with TJ, could not miss while the favored Rebs couldn't seem to find the hoop. The Rebels hit only a poor 15 field goals for the entire game.

High point men for the series were Higginbotham with 27. Smith with 28, Miller with 30, and Hulme, who was elected to the All-Tournament Second Team, with 19.

*Ho hum . . . Miller shoots again . . .*

## Cagers Carry Off Fourth Dr Pepper Tourney

As the Rebels rolled to an unprecedented fourth consecutive Dr Pepper Tournament Championship, the supremacy of TJ was again established.

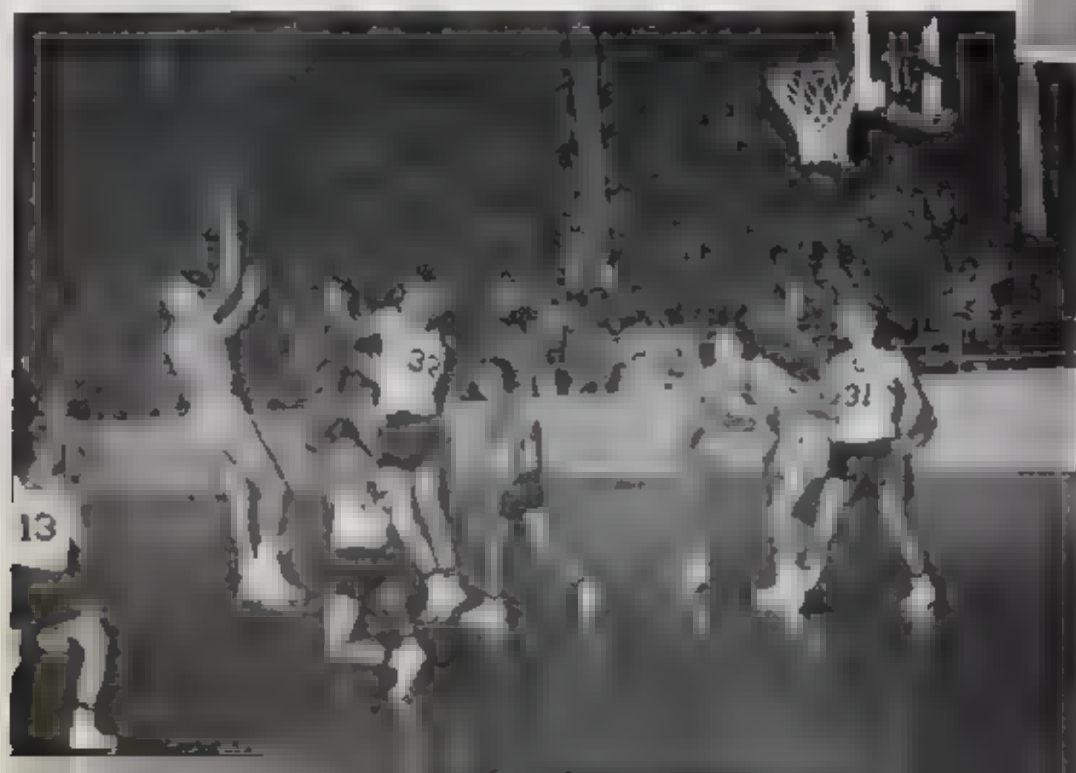

The opening game with Jesuit proved to be an omen of things to come as the fairly tough Rangers fell 60-39. The Cagers next crushed the bewildered North Dallas Bulldogs with a stunning 88-42 victory. TJ kept right on rolling past Highland Park as they trounced the Scots 76-59.

The smooth coasting ended, however, with a tense battle against the Abilene Eagles. Coming from behind the Eagles held the lead with a half minute to go in the final quarter. But the Rebels would not give up as Hulme and Smith sank the decisive two baskets that won the game, 58-57. The championship game with Woodrow Wilson was almost an anti-climax after the semi-final thriller. The Rebs sewed up the crown for the fourth year with an 80-59 victory.

John Higginbotham and Steve Hulme were voted to the All-Tournament Team. "Hig" was high point man for the series with a remarkable total of 107 points. Other high point men were Eddie Miller with 60, and Larry Smith with 54 points.

# Rebs Smear Spartans 62-47

## HIGH POINT MEN

Higginbotham—28  
Miller—12

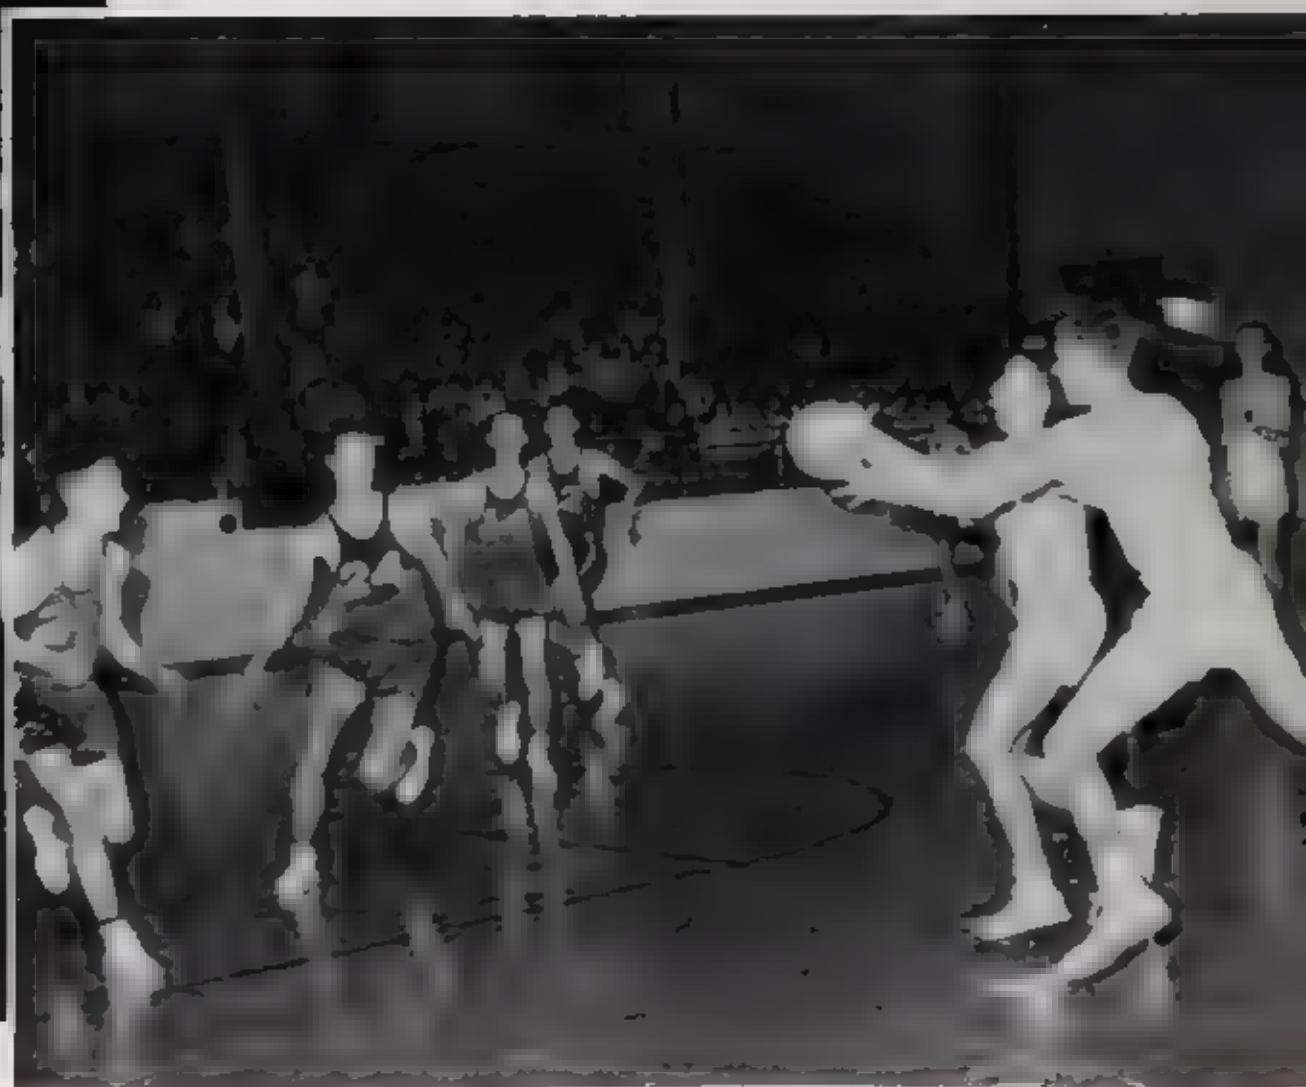

The Rebels opened their 1964 District play with a 62-47 spanking of Samuel's at Cobb Field House. Although both teams played sloppily, the Rebs blitzed the Spartans with their fast break.

The Rebs forged ahead early in the first quarter and held a 36-24 lead at the half. Samuel was always within striking distance, so Coach Dowd was forced to stick with his regulars the whole game. This victory was the seventeenth straight district win over the past three years.

## T.J. Rolls B.A. 63-54

For the second straight game the Rebels played below par but were still able to win by a fairly sizeable margin against Bryan Adams. The Cougars played a spirited game but fell 63-54.

The game was marked by errors as neither team could seem to hold on to the ball. It was not until the final four minutes that T.J. pulled away for good. Throughout the contest the Rebs could manage no more than a four point lead. Their largest lead was eleven points with a little over three minutes left in the game.

# Rebs Squeeze by Woodrow 66-61

Woodrow Wilson almost gave the Rebels their first defeat in three years of district play, but the Rebs pulled through 66-61, making it 19 in a row.

The first half was played on equal terms as the Rebels held a 36-28 lead at the intermission. Once the second half started, the Rebs appeared to be off to the races. By the middle of the third quarter the

lead had reached seventeen points and it looked as if the Rebs were home easy with their third zone win without a defeat. At the end of the third quarter the Rebs held a ten point lead and then the roof fell in.

Farar Stockton and gang began hitting and the Rebel Cagers could do nothing right. Within four minutes the Wildcats took a one point lead and looked as if they might stretch their lead. But the Rebs came to life just in time to save the game and set the stage for the bout with arch-rival Hillcrest for first place in zone.

# Rebs Out-Run the Panthers 81-75

The Rebs grabbed an early lead and held on for an 81-75 victory over arch-rival, the Hillcrest Panthers. This win gave the big Rebs the lead in the North Zone.

The first half was even as the Rebs went ahead to stay 13-12. The Rebs rode the shooting arm of Jimmy Burchfield to a 37-33 lead at half-time.

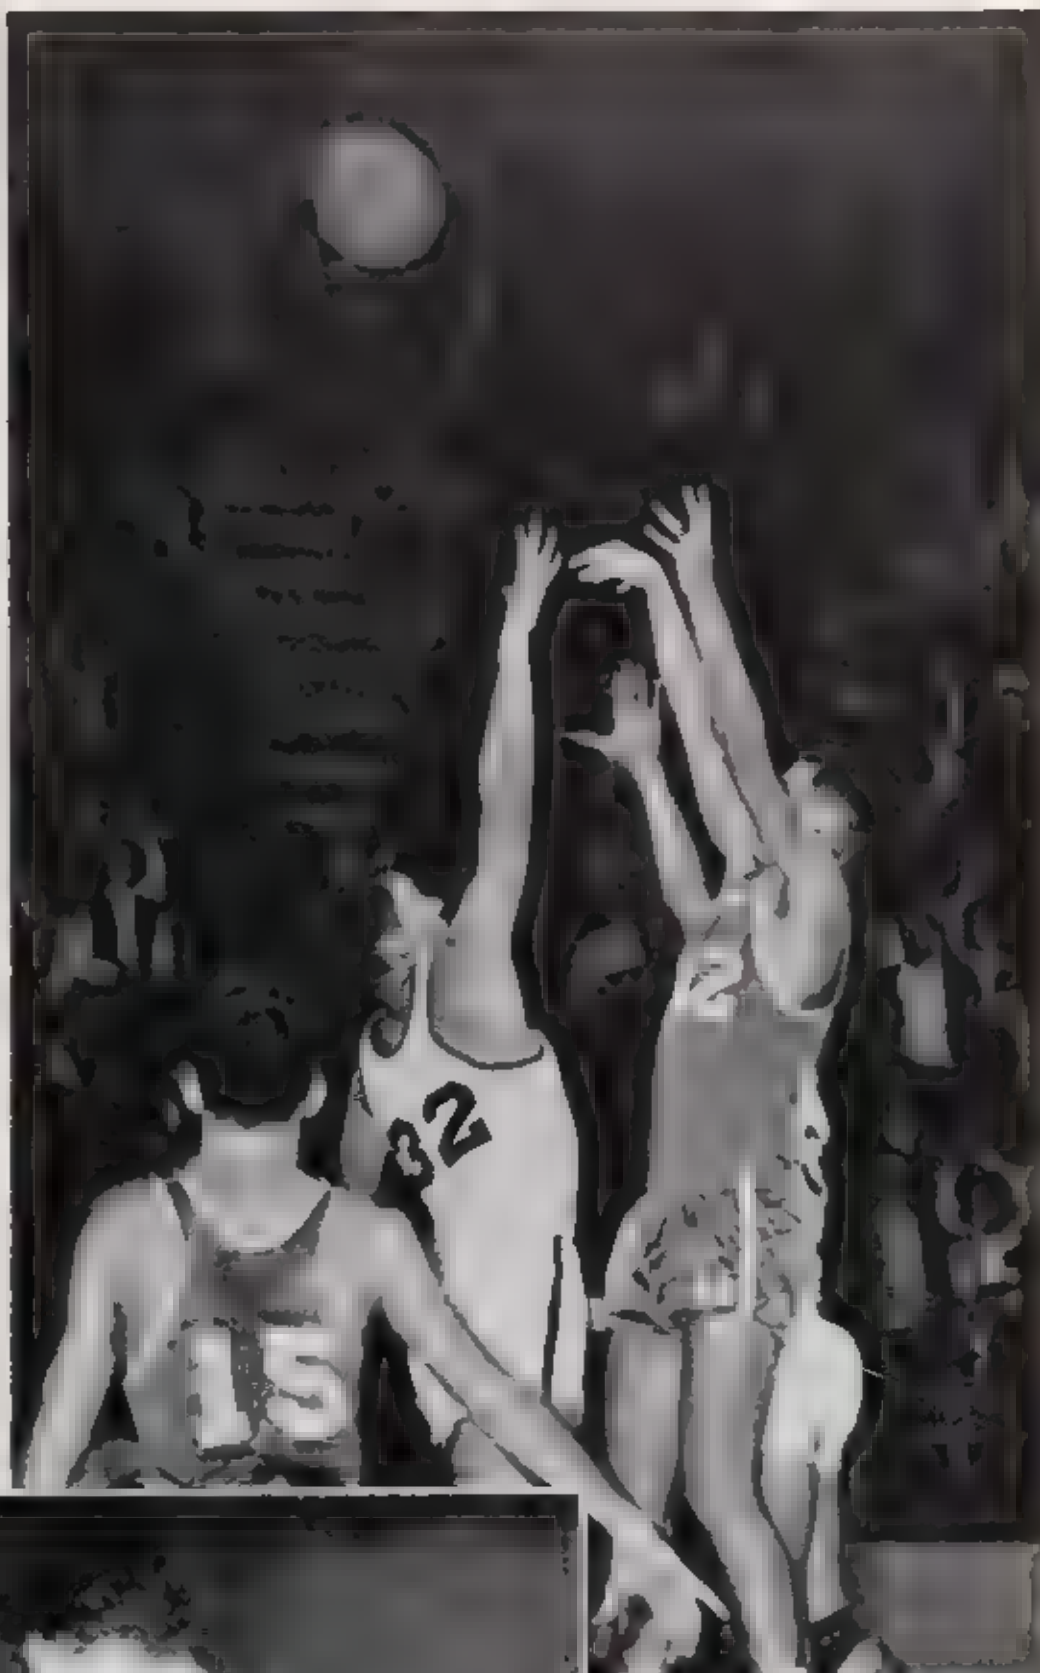

Late in the third quarter the Rebels opened up a nine-point lead. But they could not stop the torrid shooting of the Panthers and the lead dwindled to 57-56 by the end of the quarter. The biggest lead the Rebels could manage from there until the last two minutes was 3 points.

The Rebels defeated the Samuell Spartans for the second time this season by a score of 66-55. The victory, their twenty-first consecutive in zone play, kept the Rebels a game in front of the Hillcrest Panthers.

As usual the Rebs grabbed an early lead and were out in front the whole way. Not until the last three minutes did the Rebs put the game out of the reach of the Spartans. They came up from a 35-33 lead at half to a final victory of 66-55.

## Rebels Smash Bryan Adams 79-48

The Rebels overwhelmed Bryan Adams from the start and won going away 79-48. For the first time in district play the Rebels' press was executed almost flawlessly and as a result the bewildered Cougars made many mistakes.

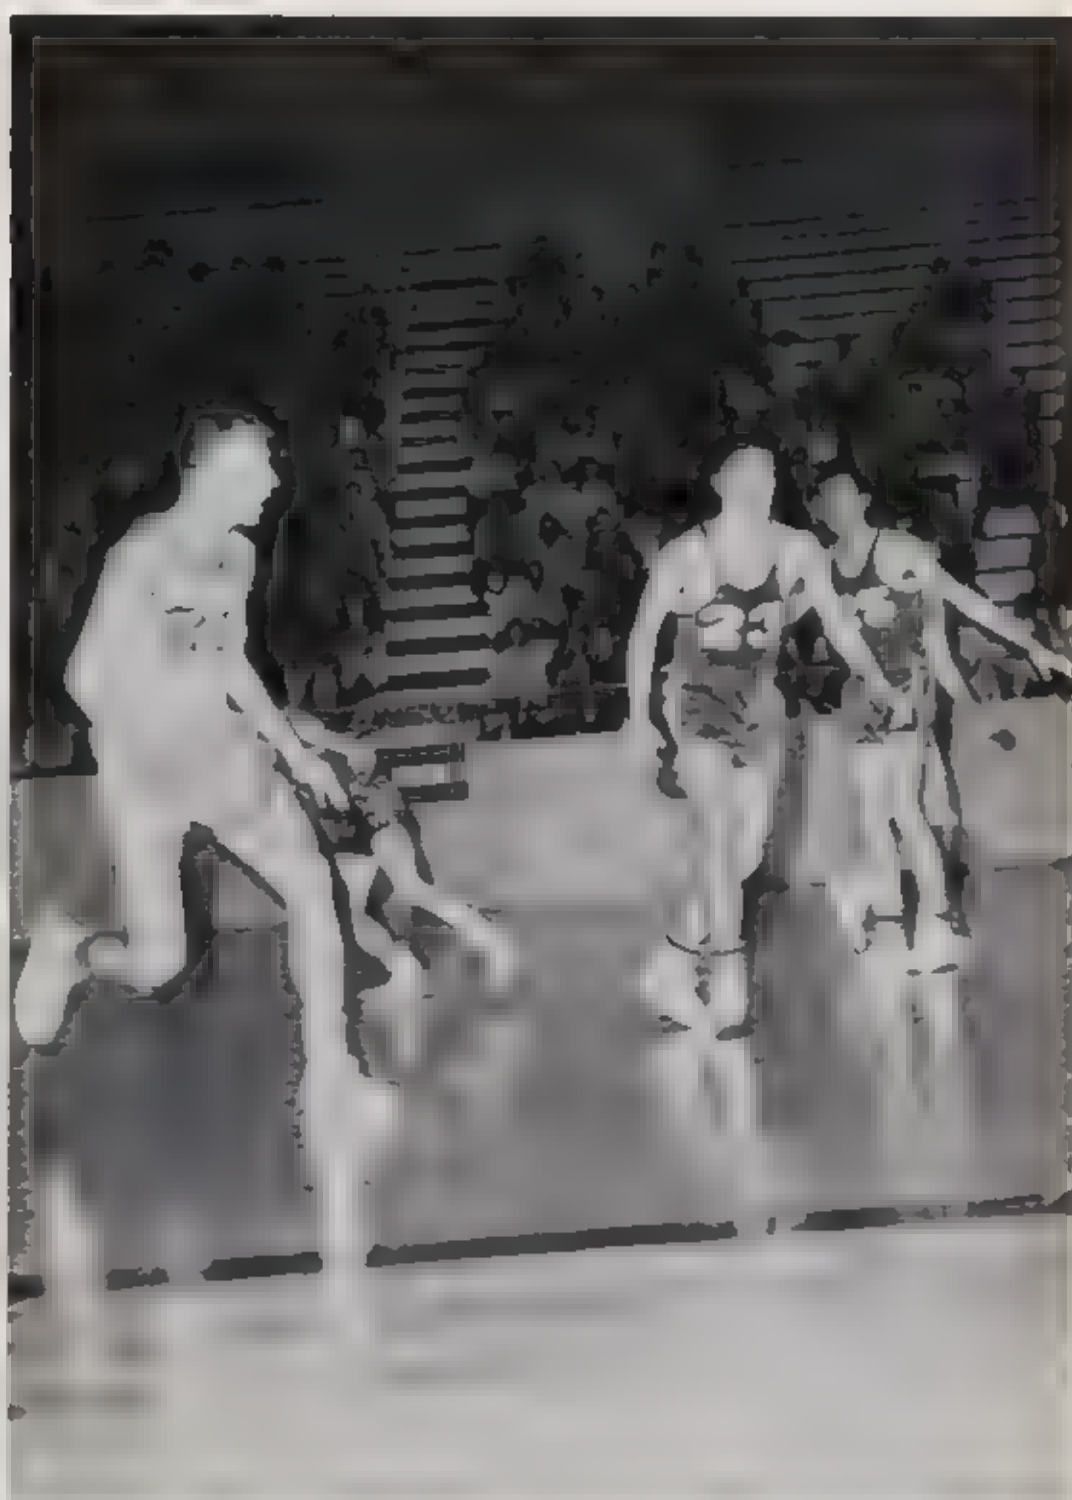

The Rebels spent the whole first half running the Cougars down and led at intermission 36-28. Once the second half started so did the Rebs. Time and again the Rebel guards stole the ball and raced for easy lay-ups. By the middle of the final quarter Coach Dowd had emptied his bench.

When T.J. met Woodrow, the Wildcats were still in contention for the zone title. Throughout the long evening, they did not let the Rebels forget that fact as T.J. had to fight all the way for a 67-60 victory.

The Wildcats dominated the first half behind the scoring of city leader, Farar Stockton, and held a 36-34 lead at intermission.

The Rebels came out strong in the third period

and went ahead 42-40 with four minutes left in the period. But the Wildcats were not to be stopped and T.J. did not pull ahead for good until midway in the fourth quarter. The Rebels overcame Stockton's game scoring of 32 points by placing five men in double figures.

# Rebs Sweep Court With Panthers 74-49

*Kaiser oozed it through*

The Rebels played everyone but managers and coaches as they stampeded the poor Hillcrest Panthers 74-49. This was definitely the best showing the Rebels presented all year.

Playing before the largest crowd in the history of Texas for a district game the Rebels went ahead 13-12 and slowly moved away.

The score read 37-28 at the half but the second half was a different game. Only once in the fourth quarter did the Panthers get close, and the Rebels quickly stretched the lead again. In one four minute span the Rebs outscored Hillcrest 14-2. This victory erased any doubt as to which team should reign as North Zone champion.

# Rebs Upset in City Playoffs

By the closest of margins the Adamson Leopards defeated TJ to take the city cage championship. The play-off, which went all three games, was a squeaker to the last seconds.

TJ began the series in fine form. The tight Rebel defense held down the Adamson scoring punch and the Leopard's fine center, John Bullock, was out much of the game because of fouls.

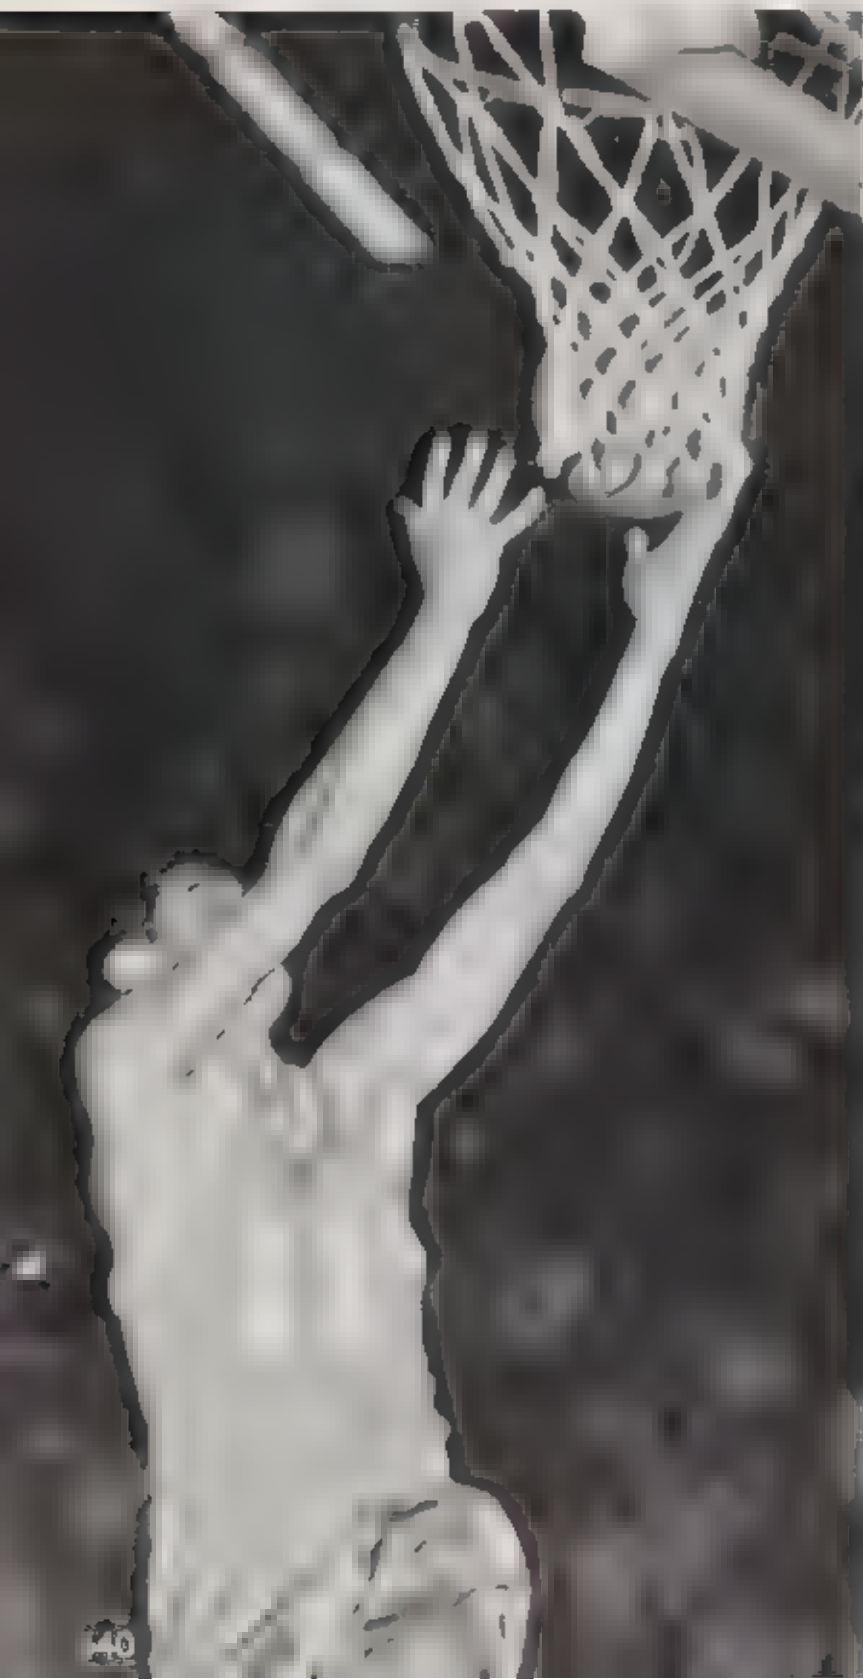

The Rebels only led by one at the half, but they exploded in the third quarter to stretch the lead to eight. Eddie Miller had his best night of the season as he scored 33 points and the Rebels won 61-50.

The Leopards were not to be defeated, however. They came on strong in the second game to defeat TJ 53-51. Rebounding was the key as Adamson controlled the backboards most of the night. The Leopard defense also was hot as they held Miller

to only 9 points and Smith to 14.

The final game was all anyone in the record crowd of 10,000 could ask of a thriller. The Rebels moved fast in the first half. They led 15-12 at the first quarter and at intermission they went out with a 27-20 lead. But when the game resumed the Leopards were a different team as they exploded to outscore TJ, 16-7 in the third quarter. The score see-sawed until with little over a minute left the Rebels led 52-47. Adamson came back on John Bullock's ten-footer with 49 seconds left and then he hit again to move Adamson within one point. The Leopards called time out with twelve seconds left. When they came out, they worked the ball to Bullock whose third crucial basket gave the Adamson team a 53-52 victory and the championship.

## Five Returning Lettermen Bolster Track Hopes

COACH ALLAN KIRK

TJ Tracksters started the 1964 season off right in the early meets, showing much potential and depth in forming a championship team.

Returning lettermen this year in track were Ben Brewer, state finalist in the mile as a junior, John Baker, who ran on the state mile relay, Jimmy Hasty, dash man, George Grimes, broad jumper and high jumper, and Paul Kramer, half miler.

In addition to these boys, the regular track squad was talented in other areas. Dean Langston threw the discus, while Rocky McClure put the shot. Ed Houser was a hundred and 220 specialist and Pat Gammill was the second miler on the team. Guiding the track boys was Coach Allan Kirk.

# Cross Country Team Wins First in State

Finishing their season in fine style, the Rebel Cross Country team won the 4-A State Championship. The team had a season record of five wins and one second place.

Led by Ben Brewer, the tracksters spearheaded to their great season standing. Paul Kramer got off to a slow start, but came through later in the season and in the state meet. Pat Gammill, who received a severe spike wound in mid-season, made a remarkable recovery and aided the team greatly both before and after his injury. Alan Prais was a consistent runner all through the season and helped the team in early season particularly. Jim Sheffer, the only junior on the team, provided the extra kick that the Rebels needed and Richard Saunderson pitched in as alternate.

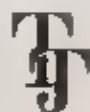

Coaching the Cross Country team were Socrates Bagiackas and Ronald Toombs. Mr. Toombs was in charge of the boys on the bars, while Mr. Bagiackas ran right alongside the boys in their daily workouts.

This year the Tennis Team started out with new people all the way around. Mr. Wisdom coached the team for the first time and all new hopefuls plan to follow the excellent precedent set by last year's team. Prior to the time this annual went to press, the team was busy playing in tournaments in Garland, Denton, and Ft. Worth. As city matches get under way, the T.J. tennis team hopes to continue the successful tradition which is theirs.

# Rebel Baseball Season Looks Promising

COACHES BOB BEENE and RALPH REYNOLDS

Picked by many sportswriters to win city, the Rebels began working out in February under new Head Coach Bob Beene and Coach Ralph Reynolds. When the *Document* went to press, the Baseball season was still a week away.

The Rebels have one of the strongest pitching staffs in the city in David Shahan, Richard Schultz, and George Warren. Shahan was rated the second pitcher in the city last season as a junior.

Backing up this great pitching team will be a tight infield featuring Jim Burchfield, Rob Freivogel, Mike McFarland, and Jim Montgomery. These boys along with outfielders, Bobby Wheeler and Glenn Showers, are strong hitters. Other outstanding members are pitcher Mitch Worley, third baseman Johnny Daniels, and catcher Sam Horton.

This should prove to be one of the strongest Rebel teams in the school's history. Good luck, Rebels!

*First row:* Jim Wilkinson, Joe Kirk, Mike McFarland, Rob Freivogel, Bobby Wheeler, Mitch Worley, David Shahan, Roger May, Andy Steele. *Second row:* Amp Miller, Coach Reynolds, David Russell, Raymond Puckett, Randy Dyer, Gene Langkop, Frank Cain, Billy Slocum, Lynn Walker, Ronnie Frazee, Tommy Senior, Larry Bartoli, Jimmy Fuller, Jimmy Montgomery, Paul Voss, Ed Shaw, Bill Austin, Paul Soupe, Johnny Daniels, Phil Steele, George Warren, Paul Hochlechner, Tommy Collier, Coach Beene.

### **This Is the NDCC of TJ.**

The NDCC is a groundwork for becoming a member of the Armed Forces. The members strive for the same objectives as demanded of military servicemen—discipline, precision, strength, skill, and efficient organization. However, the main goal of the NDCC is to encourage each cadet to become a MAN, both physically and mentally strong.

Military

*Colonel McClure instructs a class using posters to illustrate military procedure.*

Much of the success of the Thomas Jefferson Cadet Corps is due to the patient instruction and understanding of Lt. Col. John B. McClure. Now a retired Lt. Col., he fought in the European Theatre during World War II and as a major in the Korean War. He received the expert combat infantry badge with star, and presidential citation with the bronze star.

CDT. LT. COL. JOHN NICHOLS

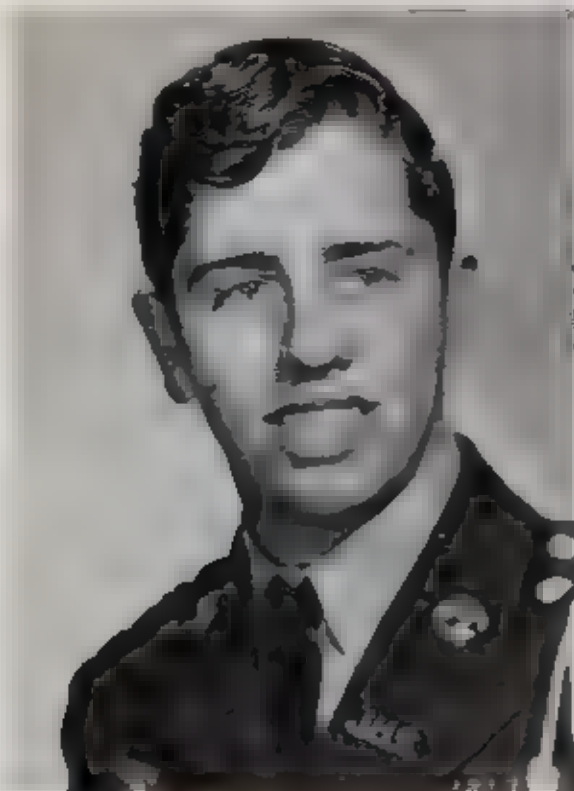

The Battle Group Staff, under the supervision of Col. John B. McClure, is responsible for the efficient operation of the N.D.C.C. The Battle Group Commander has full responsibility for this group. Immediately below the commander is the executive officer who must assist the commander in all things. The S-1, who is in charge of personnel, keeps an accurate merit-demerit report for each cadet during each six-week period. The public relations officer, the S-2, provides an article for each addition of the school newspaper. The S-3 is responsible for preparing lesson plans to be used each week. The S-4 must keep all government issued supplies in top condition.

## N.D.C.C. Sponsors

Each company is represented throughout the year by a military sponsor, who is chosen by that company in the fall. The sponsors attend military affairs and represent their companies in weekly exercises. One of the sponsors is crowned military queen at the annual military ball.

Following a theme of the Spirit of '76, the military ball was held on Saturday, February 8. The gym was decorated with red, white, and blue streamers and various trophies that the corps had won. Anne McCullough, sponsor of the Battle Group Staff, was crowned Military Queen by the 1963 queen, Miss Cherie Miller. The dance culminated in the Grand March, led by the '63 and '64 queens and their escorts.

### THE JEFFERSON RIFLES AND RIFLE TEAM

The Jefferson Rifles Drill Platoon is an honor unit composed of the best drilled cadets in the Corps. They compete with other schools, both State and out of State, in various contests. These include the Wozencraft Drill Competition, the Arlington sponsored by Arlington State University, the Dallas-Ft. Worth Field Day, and the Texas A&M Competition. The drill platoon is graded on appearance, precision of movement, and originality of performance.

The Rifle Team is the other honor unit of the Corps. They spend their military period each day firing in the rifle range. They fire in many matches each year including the City Gallery, Inter-School Competition, and the National Invitational I&I.

## Camp Dallas

The Thomas Jefferson Cadet Corps took part in the annual twenty-eight day encampment at Camp Dallas, located in Mineral Wells. Each summer, cadets from Dallas and Ft. Worth schools go to Camp Dallas to get in-the-field training and practical application of what they have learned the previous year.

Competition is the key word at camp. There are parades, inspections, and athletics. The Cadet Corps upheld the championship tradition of Thomas Jefferson High School by taking seventy per cent of the medals given for football, baseball, swimming, volleyball, and academic tests. The Cadets won second place in inspection and Rob Myers was presented a tape recorder for being the best marksman.
